Please complete and submit a housing request form, including a \$100 security deposit (refundable through May 1 minus a \$10 processing fee). OC's Student Financial Services staff will use your application for admission and supporting information to determine eligibility for merit scholarships. For additional assistance consideration (including scholarships, grants, student and parent loans, and work study), families should complete the Free Application for Federal Student Aid (FAFSA) online at [www.fafsa.gov](http://www.fafsa.gov). Indicate the information should be sent to OC by using the school code 003165.

### **3. MyOC Student Portal Login**

[my.oc.edu](http://my.oc.edu)

Shortly after applying for admission, you should have received an email directing you to log in to MyOC (our secure student portal). If you haven't logged in, updated your password, and cruised the site, please do so! Your financial aid, scholarship, technology, health and immunization information, and more will be delivered to you through the portal. If you're having trouble accessing the original email sent to you, contact your admissions counselor. He or she will re-send it to you.

### **4. Campus Visit/Interview**

[www.oc.edu/visitcampus](http://www.oc.edu/visitcampus)

Log in to [community.oc.edu](http://community.oc.edu) to create your profile, make it your own, and get a sneak peek into OC before you arrive on campus.

### **6. New Student Orientation Program**

[www.oc.edu/takeflight](http://www.oc.edu/takeflight)

OC offers two events to assist in your college transition: Take Flight and Earn Your Wings. At Take Flight (choose one of three one-day summer sessions...Friday, May 4; Saturday, June 23; or Monday, August 20), you'll enroll for classes, meet students and professors, and get your MacBook. Upperclassmen have planned a week full of fun where you'll "Earn Your Wings" beginning Tuesday, August 21. Register for both events at [www.oc.edu/takeflight](http://www.oc.edu/takeflight).

### **7. Technology Reminders**
