WES EVALUATION INSTRUCTIONS

The WES Course-By-Course Evaluation helps Oklahoma Christian University to verify the U.S. equivalency of your courses taken, degree(s) earned, and GPA achieved in universities outside the U.S. This completed evaluation must be submitted by the application deadline for each semester. Completing the WES Course-By-Course Evaluation does not guarantee admission.

WHO MUST OBTAIN THE WES EVALUATION?

You must obtain a WES Course-By-Course Evaluation if you are applying to programs in the Graduate Schools of Business, Engineering, or Theology and your bachelor’s degree was earned in a university outside of the U.S. Additionally, OC’s Graduate Programs may require the WES Evaluation for any credit hours earned outside the U.S.
