C. The OC Covenant

Oklahoma Christian University is a higher learning community that transforms lives for Christian faith, scholarship, and service.

The values and behavior of this Christian community are derived from the Bible, rather than the prevailing culture. Because we are a higher learning community dedicated to a distinctively Christian mission, we join together in a community covenant. This covenant is not a creed demanding strict belief in its veracity and inerrancy, and it is not merely an ideal to which we aspire; rather, it is a personal commitment that while we are members of this community, we will abide by the principles and ideals set forth in the covenant. The purpose of our covenant is to unite all of us at Oklahoma Christian University—students, staff, faculty, administration, and Board of Trustees—in a Christian community which is based on biblical principles and transforms lives for Christian faith, scholarship, and service.

We recognize that the University is not the church; however, we are a Christian community which seeks to be guided by the teachings of our Lord Jesus Christ as revealed in scripture. We welcome all students, regardless of their church affiliation, who agree to abide by this covenant. Because the University was founded by members of the Churches of Christ and because we seek to serve our church constituents effectively, we expect all full-time faculty and staff to be faithful, active members of the churches of Christ who fully embrace the principles of this covenant.

Our Foundation

God interacts with this world as both Creator and Savior (Genesis 1; Hebrews 1:1-3).

The Bible is God’s inspired word, which shows us the nature of God, the risen Son, and the Holy Spirit (2 Timothy 3:16; 2 Peter 1:19-21).

We seek to honor God by imitating the nature of God and his son, our Lord Jesus Christ, through the guidance of the Holy Spirit (John 13:13-17; 1 Corinthians 11:1; 1 Peter 2:21).

As members of this Christian higher learning community, we are guided by specific principles set forth in the Bible (Psalms 119:105; 2 Timothy 3:16-17).

Our Call

God calls us to do our best in everything we do (Colossians 3:17; Colossians 3:23).

God calls us to submit our will to his (John 15:14; James 4:7; 1 John 2:17).

God calls us to submit to one another in love (1 Corinthians 10:23-24; Galatians 5:13-14; Ephesians 5:21; Philippians 2:3-4) and to show his love through the justice, mercy, and faithfulness of our lives (Matthew 5; Matthew 23).

God calls us to live lives of holiness (Ephesians 1:4; 1 Thessalonians. 4:7; Hebrews 12:14; 1 Peter 1:15-16).

Our Community Life

We strive to honor the Lord and be Christ-like in all of our conduct (Colossians 3:12-14; Titus 2:11-14).
We strive to demonstrate love and respect for everyone, even those who have views that differ from ours, and avoid conduct or language that is demeaning to others (Galatians 3:28; Philippians 2:3-4; James 2:1-13).

We strive to exercise our Christian freedom responsibly within the framework of God’s Word, humbly submitting to others (1 Corinthians 10:23-24; 31-33).

We strive to use wise stewardship of our mind, body, time, abilities and resources and make thoughtful, biblically guided choices in matters of behavior, entertainment, and interpersonal relationships (Philippians 4:8).

We strive to practice honesty and integrity in everything we say and do (Colossians 3:9-10; Revelation 21:8).

We strive to treat our bodies with the honor due the temple of the Holy Spirit—honoring God’s plan that sexual relations be a part of a marriage between a man and a woman, dressing modestly, and avoiding any self-destructive practices (1 Corinthians 6:19-20).

For the sake of our personal influence and our life together in Christian community, we also agree to certain community standards of conduct which are not specifically set forth in the Bible, but which enable the community to operate peaceably and in harmony with these principles and with one another. These community standards are set forth in the Student Handbook and the Employee Policy Manual.

By choosing to be a part of the Oklahoma Christian University community, every member of the student body, staff, faculty, and Board of Trustees affirms his or her understanding of, respect for, and commitment to abide by the principles, and standards of conduct set forth in this covenant.
II. Academic Policies & Procedures

A. Academic Classification

- Freshman: 0 – 29 credit hours
- Sophomore: 30 – 59 credit hours
- Junior: 60 – 89 credit hours
- Senior: 90+ credit hours

B. Class Attendance

- When a teacher believes a student’s absences begin seriously affecting that student’s performance in the class, the teacher may initiate a conference with him or her to discuss the absences. The teacher may indicate to the student in writing that if he or she misses another class meeting without a clearly acceptable reason, the student will be dropped from the class.

- If the drop takes place prior to the 12th week of the semester, the student will receive a “W”. If the drop takes place during the 12th week or later, the student will receive an “F”. The Vice President of Academic Affairs will also be notified of this status and will notify the student.

- If the student believes he or she has received unfair treatment from the teacher, an appeal can be made to the Deans’ Council.

- While faculty members have developed their own class attendance policies regarding specific classes, students who cease attending all classes are asked to withdraw from OC.

C. Weather-Related Attendance

Since most students and faculty live close to the University, classes are rarely suspended for bad weather. Students who are prevented from meeting a class because of road conditions should discuss the cause of the absence with their professors.

D. Academic Good Standing

In order to be considered in good standing, a student must maintain the following cumulative grade point average:

- Freshman: 1.70 (D+)
- Sophomore: 2.00 (C)
- Junior: 2.00 (C)
- Senior: 2.00 (C)

All students will have an academic status check at the end of each semester. Those who are not in good standing will receive notification of their status.

E. Academic Alert

If a student’s cumulative or term GPA for any semester falls below the level of good standing, he or she is notified and placed on academic alert.
F. **Academic Probation**

- If both a student’s current GPA for a term and cumulative GPA fall below the required level for good standing, he or she is placed on academic probation.

- After 2 semesters of academic probation, a student may not be allowed to continue in school without permission from the Academic Appeals Committee.

- Students on academic probation are ineligible for intercollegiate athletic competition or for performance in other university sponsored activities.

G. **Academic Suspension**

- When a student has completed 2 semesters on academic probation without achieving the level of good standing, the student is suspended.

- Students appealing academic suspension should do so in writing, presented to the Registrar. The Registrar will present the appeal to the Academic Appeals Committee for review and decision.

- A suspended student may be readmitted only 1 time; the readmitted student must attain a 2.00 GPA each semester while on probation. The student is removed from probation only when a cumulative GPA of 2.00 has been reached.

- The University may suspend or dismiss any student who fails to earn a GPA of at least 1.00 during a semester, regardless of classification or number of hours completed.

H. **Academic Appeals**

Any student may appeal a final grade received in a course. To protect the rights of both the student and the professor, the appeals procedure below must be followed. Except by this process, no student-appealed grade may be changed, and no student-contested academic action by a professor may be reversed.

1. **Contact the Professor**

   A student who disagrees with a professor on a course grade or other grade-related issue must contact the professor directly to explain the concern or complaint. If the student does not bring the matter to the professor’s attention within four weeks of the final grade report, the student loses the right of appeal. The professor has two weeks to respond in writing to the student’s appeal.

2. **Appeal to the Chair**

   If the interaction with the professor does not resolve the issue, the student has two weeks from that response to appeal to the chair of the professor’s school or department. Otherwise the student loses the right of appeal and the issue is considered closed. If the professor is the chair, the student will take the appeal to the dean.

   The appeal must include a written description of the circumstances as understood by the student. Two copies of this written appeal must be given to the chair in a private interview. The chair will give one copy of the student’s appeal to the professor and request any supporting documentation from the professor. The chair will discuss the
complaint with the professor and, where appropriate, with other students. The chair will make a decision as soon as is reasonably practicable, but in no event longer than four weeks from the date of receipt of the appeal, and will communicate that decision in writing to the student.

After review, the chair has two options: the chair may make the decision and explain it to the student and the professor within two weeks or, if the chair considers the matter sufficiently serious or complex, the chair may take the matter to the dean of the professor’s college for further review and response.

3. **Appeal to the Dean**
If the chair makes the decision, and if the student or professor is not satisfied that the chair’s decision is fair and just, either may appeal to the dean of the professor’s college within one week of the decision by the chair.

Upon receiving notice of the appeal, the dean will request from the chair a copy of the original appeal, any documents submitted by the professor, and the chair’s rationale for the decision. The dean will discuss the matter with all those involved.

After review, the dean has two options: the dean may make the decision and present it in writing to the student, the professor, and the chair within four weeks or, if the dean considers the matter sufficiently serious or complex, the dean may take the matter to the Academic Appeals Committee.

4. **Appeal to the Academic Appeals Committee**
If the dean makes the decision, and if the student or professor is not satisfied that the dean’s decision is fair and just, either may initiate an appeal to the Academic Appeals Committee by notifying the VPAA in writing of the appeal within one week of the dean’s decision. The dean will present a copy of the original appeal and any documents submitted by the professor or gathered in evidence prior to the dean’s decision.

The Academic Appeals Committee may discuss the matter with the student and professor individually. The Academic Appeals Committee will decide the matter as soon as is reasonably practicable, but in no event longer than four weeks after the matter is submitted to it. After review, the decision of the Academic Appeals Committee is final and must be reported in writing within a week of the decision to all involved parties and to the VPAA.

I. **Academic Honesty**

1. **Cheating**
Cheating on an examination, assignment, roll sheet or other course related work or activities undermines the ethics of the academy and the specific Christian purposes of Oklahoma Christian University. Accordingly, students who cheat on examinations, assignments or other course related work or activities will face serious consequences, as outlined in this policy.
2. **Plagiarism**

One particular form of cheating is plagiarism. Plagiarism is the transmission of another’s ideas, words, or materials as one’s own and/or the failure to credit accurately the ideas, words, or materials of another. Plagiarism also includes passing off another’s work (a friend, a parent, a website) as one’s own. Plagiarism undermines the ethics of the academy and the specific Christian purposes of Oklahoma Christian University. Accordingly, students who engage in plagiarism in assignments submitted will face serious consequences, as outlined in this policy.

3. **Penalties for Academic Dishonesty**

   a. On the first offense, the student will receive zero (0) credit for the examination or assignment. For forms of cheating or dishonesty other than on examinations or assignments, the Professor shall have the discretion to impose an appropriate penalty. Professors must send documentation of the first offense to the appropriate chair, the dean of the appropriate college, the VPAA, and the Dean of Students.

   b. On the second offense in the same course, the student will receive an F in the course. Professors must send documentation of the second offense to the appropriate chair, the dean of the appropriate college, the VPAA, and the Dean of Students.

   c. At either the first offense or second offense, the student may appeal using the process set forth for grade appeals.

   d. If the student commits offenses in two or more courses, an Academic Appeals Committee comprised of one faculty representative from each college, one librarian, the Registrar, one representative from the staff of Student Affairs and one representative from SGA may assign penalties for academic dishonesty in addition to the penalties assigned by the professors in the courses. The Academic Appeals Committee may impose penalties up to and including suspension from the University in instances where a student has engaged in cheating or plagiarism in two or more courses. The Academic Appeals Committee will inform the VPAA and the Dean of Students in writing of any penalties imposed by it and will report annually on its activities to the University’s Academic Affairs Committee.

   e. Professors should maintain the highest standards of academic honesty both in and out of the classroom. Professors must report and apply the rules regarding cheating/plagiarism to the appropriate channels. The student should be referred to the Oklahoma Christian University Covenant for principles which should guide conduct in these matters.

J. **Academic Appeals Committee**

The Academic Appeals Committee shall also decide the following matters:

1. Academic honesty, as detailed in Section I above;
2. Grade appeals, as detailed in Section H above;
3. Appeals from academic probation and academic suspension, as set forth in the University’s catalog; and
4. Requests for the expungement of grades due to extenuating circumstances. Documentation of the circumstances may be required.

The Academic Appeals Committee will be chaired by the VPAA or the VPAA’s delegate. In addition, the Academic Appeals Committee shall consist of the following members:

1. One tenured Faculty elected from each college, serving overlapping three year terms;
2. One elected tenured librarian, serving a three year term;
3. The University Registrar;
4. One Representative from the Student Affairs Office (Ex-Officio); and
5. One representative from the Student Government Association, appointed by the SGA President.

K. Final Exam Policy

Generally, students may not reschedule final exams due to heavy testing in a single day. A student may request that his or her final examination in a class be rescheduled only where the student has more than three examinations scheduled for a single day. If a student wishes to reschedule a final exam, he or she must receive permission from the VPAA. Final examinations will not be given early unless approved by the Deans’ Council upon a showing of extraordinary circumstances. Examples of extraordinary circumstances are non-elective surgery or being called to active duty.
III. Behavioral Policies & Procedures

A. Anti-Harassment and Discrimination Policy {Revised Aug. 1, 2015}

1. Purpose
Oklahoma Christian University is a Christian community that has committed itself, unequivocally, to ensuring a working and learning environment in which the dignity of every individual is respected. Therefore, it is the purpose of this policy to maintain a work and academic environment that is free of harassment.

(Sexual harassment is specifically addressed in the Sexual Misconduct Policy, rather than this, Anti-Harassment Policy.)

2. Scope
This policy applies to all members of the OC community, including trustees, faculty, staff, students, volunteers, vendors, and visitors and serves to protect those community members from harassment regardless of where the alleged misconduct occurred. However, misconduct that is alleged to have occurred at a significant distance from the University or that is committed by a person outside the OC community may be more difficult to investigate and remedy.

3. Policy

a) Prohibition Against Harassment
Harassment, as defined herein, is not tolerated at Oklahoma Christian University. Harassment is unchristian and uncivil behavior. It is a breach of community, which expresses disrespect, exploits and undermines relationships based on trust, and interferes with learning and productive work.

b) Responding and Reporting
Any person who experiences Harassment or who otherwise becomes aware of such an incident may object to this behavior by telling the perpetrator to stop and should promptly report the incident pursuant to this policy. Such harassment allegations must be made in good faith. It is a violation of the Student Code of Conduct and the Employee Standards of Conduct to make an intentionally false report of any policy violation, and it may also violate state criminal statutes and civil defamation laws.

c) Interim Measures
The University reserves the right to take whatever measures it deems necessary in response to an allegation of harassment in order to protect the related individuals’ rights and personal safety. Such measures include, but are not limited to, interim suspension or leave from campus pending a review; modification of class, work schedules, or living arrangement; and potential no contact orders.

d) No Retaliation
No member of the OC community may be subject to restraint, interference, or retaliation, by any employee or student, for actions taken in good faith to file or encourage one to file a complaint, participate in a review, or oppose unlawful
harassment. Moreover, because a claim is not proof of prohibited conduct, a claim shall not be taken into account during performance review, promotion, reappointment, or other evaluation unless a final determination has been made that this policy has been violated. If necessary and appropriate, such decisions shall be deferred until the claim is resolved.

4. Definitions and Examples

a) "Harassment” includes only Discriminatory Harassment as defined below.

b) “Discriminatory Harassment” or “Hostile Environment Harassment” is unwelcome or verbal or physical conduct or other detrimental action based on religion, race, age, color, national origin, ethnicity, veteran's status, disability, or any other characteristic protected by applicable law when such conduct is so severe, persistent or pervasive that it unreasonably interferes with or limits the individual’s work or educational performance or one’s ability to participate in or benefit from the University’s educational program or activity or creates a working or learning environment that a reasonable person would find intimidating, hostile, or offensive. OC is exempt from certain legal prohibitions against religious discrimination as set out in its nondiscrimination statement.

c) Examples of Discriminatory Harassment may include, but are not limited to the following:

i. Threats or insinuations that a person's status or other condition of employment or academic status may be adversely affected because of one's legally protected characteristic.

ii. Unwelcome verbal or written expressions, derogatory comments, epithets, degrading jokes, or innuendos regarding one's legally protected characteristic.

iii. Posting objects, pictures, videotapes, audio recordings or literature that may embarrass or offend an individual because of one’s legally protected characteristic. Such material, if used in an educational setting, should be clearly and significantly related to educational purposes.

iv. Bullying, defined as repeated and/or severe aggressive behavior likely to intimidate or intentionally hurt, control or diminish another person, physically or mentally.

v. Stalking, for this policy, is defined as repetitive and/or menacing pursuit, following, harassment and/or interference with the peace and/or safety of a member of the OC community; or the safety of any of the immediate family members of the OC community.

5. Resolution/Review

Intake: A student complaint alleging Harassment can be made in person or verbally to the Dean of Students and employee complaints may be made directly to the Chief Human
Resources Officer.

**Initial Assessment:** After receiving a complaint, the University will make an initial assessment to determine if there is reasonable cause to believe the harassment policy has been violated. If so, the Dean of Students or Chief Human Resources Officer, (either individually or through his or her designee) will initiate a prompt, thorough, and impartial resolution or review.

**Informal Complaint and Resolution:** Before pursuing a formal complaint, a complainant may wish to informally resolve the issue. An informal resolution might involve the appropriate supervisor/administrator, or complainant discussing the issues with the responding party in order to establish the kind of behavior that may be deemed objectionable and securing the cessation of such behavior; it might also take the form of informal mediation between the parties. When valid complaints are resolved informally, the offending party should be cautioned that repetition of such conduct could lead to formal complaint or review, or other appropriate University action. The use of an informal complaint and resolution procedure is optional. Nothing in this informal complaint process is meant to discourage an individual from filing a formal complaint. In instances where parties involved do not wish to engage in the informal procedure, where informal resolution is not appropriate (e.g. violence or), or in situations where attempts at the informal procedure are unsuccessful, the formal procedure may be followed.

**Formal Complaint:** To file a formal Harassment complaint, the complainant should submit a brief written statement of facts to the appropriate administrator.

**Review:** Upon receipt of the written statement, the appropriate administrator will open a formal case file and begin the review. In certain circumstances, if appropriate, the administrator may involve an outside investigator, who will conduct the reviews under supervision of the administrator. A review shall include, but is not limited to, allowing the respondent to respond in writing and/or verbally in order to state his/her position; interviewing complainant, respondent, and key witnesses in order to gather relevant information; maintain appropriate documentation; provide status updates; and disclose appropriate information to others only on a need-to-know basis consistent with applicable law.

**Findings and Decision:** When the review concludes, the administrator will make written findings regarding whether a violation occurred. The administrator will present the findings to the respondent and complainant individually.

**Remedies:** Anyone who violates this policy will be subject to appropriate disciplinary action. Disciplinary measures available to remedy harassment or retaliation include, but are not limited to, the following: verbal warning/reprimand; written warning/reprimand in employee or student files; requirement of verbal and/or written apology to victim; mandatory education and training on harassment by means of reading assignments, videos, classes or other presentations; referral for psychological assessment or treatment; alternate placement, suspension, probation or termination; or other action OC deems appropriate under the circumstance. In determining what disciplinary or corrective action is appropriate, the university shall consider the totality of the circumstances, including but not limited to: number of victims and harassers involved; employment/student positions or status of the victims and harassers; relevant portions of prior disciplinary record of the harasser; threatened or actual harm caused by the harassment; frequency...
and/or severity of the harassment.

If a student or student groups are found to be in violation of this policy, any of the sanctions set forth in the OC Student Code of Conduct may also be involved.

Notifications: When a determination is reached regarding findings and sanctions, the appropriate administrator identified above will provide both complainant and respondent with notice of the same within five (5) business days. The notice will include information regarding the parties’ right to appeal.

6. Appeal

Either party may appeal the findings or sanctions imposed by filing a written appeal within three (3) working days of the above notification. The ONLY grounds for appeal are as follows:

   a) The investigatory process, as outlined in the policy was not followed, and the failure to do so significantly affected the outcome of the review (e.g. established bias or material deviation from established procedure);

   b) To consider new evidence unavailable during review that could substantially impact the original finding or sanction. A summary of the new evidence must be included along with a valid reason it was not available earlier;

   c) The sanctions imposed are substantially outside the parameters of guidelines set by the institution.

If there are sufficient grounds for appeal, the Executive Vice President, Vice President for Academic Affairs, and Vice President and General Counsel shall convene as a tribunal of final decision. The opposing party will be notified of the appeal and have an opportunity to file a response. The opposing party will have three (3) business days to do so.

The original findings, appeal, and any responses thereto will be considered concurrently and independently by the tribunal of final decision. Their decision, which will be in writing and provided to both parties, will be final and cannot be appealed.

The procedure governing the consideration of appeals includes the following:

   a) If the committee of administrators determines that an appeal should be granted, it should make every effort to return the appeal to the original administrator for reconsideration (remand) where appropriate. In such cases, the decision made on remand by the original administrator is not appealable.

   b) Appeals are not intended to be a full reinvestigation of the complaint. Instead, they are confined to a review of the written documents.

   c) Appeals are not an opportunity for the appeals committee to substitute their judgment for that of the original administrator merely because they disagree with his/her findings and/or sanctions. Instead, they are to be
deferential making changes only where there is clear error or compelling justification;

Sanctions imposed are implemented immediately unless the original administrator stays their implementation in extraordinary circumstances, pending the outcome of appeal.

B. Code of Conduct

Many expectations of OC students are biblically based. Other expectations, while not necessarily based in scripture, are necessary for the good of the entire community. These expectations enable the community to function and operate peaceably and in harmony with each other and with the mission of the University.

Undergraduate students are especially susceptible to certain temptations in today’s society. For the sake of a healthy lifestyle and their Christian influence (Philippians 2:3-4; Romans 14: 19-22a), we believe that students should completely avoid these temptations at all times and in all places. Students should remember that at all times and in all places, they represent OC, its mission, its values, and our shared OC Covenant.

We take the following expectations quite seriously and are diligent in enforcing them on campus or at any university-related event. The following examples of misconduct are not exhaustive, but are intended to give a student an idea of the types of behaviors that may result in disciplinary action:

1. Violations of published university policies and procedures
2. Violations of federal, state or local law
3. Violations of the university policy on academic integrity and performance
4. Violations of the university chapel policies (Ethos)
5. Violations of the modesty code
6. The possession, use and/or distribution of alcohol and other drugs
7. The use of tobacco in any form on campus and at university sponsored activities
8. Any form of gambling on campus or at university sanctioned activities
9. Social activities that include dancing
10. Violations of the security and parking policy
11. Bullying or hazing of any kind
12. Profanity and offensive language
13. Disruptive behavior
14. Dishonesty
15. Conduct that is not in compliance with the request of a university official
16. Violations of the university policy on sexual relations, sexual assault and sexual harassment
17. Violations of the university policy on weapons
18. Vandalism of university and fellow student’s personal property
19. Disrupting the judicial reviews process in any way
20. The misuse of any fire and safety equipment
21. Possession of pornography or other offensive materials
22. Violations of the university housing regulations
All students are expected to maintain the highest standards of personal honor, morality and integrity. The University reserves the right to refuse admittance to or dismiss any person who violates these principles.

1. Violations of the Code of Conduct

Students at OC are expected to maintain a high Code of Conduct. These expectations are designed to help students develop as Christian citizens within our community and within the larger world community of which we are a part.

Because OC’s high Code of Conduct is designed to encourage better living by Christian principles, it applies to all OC students during the regular school term, during the summer, between semesters and over holidays. OC reserves the right to hold individuals accountable for their actions and reserves the right to take appropriate actions. This right may be extended retroactively.

Violations of this code result in disciplinary action by the University overseen by the Dean of Students, the campus’ chief student discipline officer. Discipline may also be handled by the Associate Dean of Students, Director of Residence Life, Hall Director or Phase Manager.

C. Student Discipline

The Dean of Students is responsible for overall coordination of rules and regulations regarding student discipline for misconduct and also serves as the final appeal for most student disciplinary decisions. The Associate Dean of Students serves as the Judicial Administrator appointed by the Dean of Student Affairs to be primarily responsible for the operational details of the disciplinary process. The Judicial Administrator will review reports of misconduct and may conduct an investigation. If the Judicial Administrator considers the report to indicate probable violation of the Code of Conduct, the incident is resolved by the Judicial Administrator.

1. Level of Infractions

To help discern between minor and major violations of the OC Code of Conduct, they have been put into 2 sections of misconduct.

a) Level 1

- Violations of expectations that will result in a verbal or written reprimand as well as probation.
- These infractions may also include additional requirements to meet the desired resolution.
- EXAMPLES: 1st-time curfew violation (minimally late) or 1st-time modesty/dress code violation
b) **Level 2**

- Violations of expectations that result in probation or dismissal depending on the number of occurrences.
- The response to Level 2 infractions are based on the details of the infraction.
- EXAMPLES: Failure to comply with sanctions given by a Hall director, Phase Manager, Dean of Students or any recognized judicial body, repeated Level 1 violations or violations of federal, state, or municipal laws

2. **Reporting Misconduct**

- Anyone may report a violation of the Code of Conduct by contacting the Dean of Students’ Office at 425-5906.
- The person reporting the violation will be asked to submit a written report. The report should be a brief written statement citing the section of the Code allegedly violated and providing a summary of the facts deemed to constitute a violation. Reports should be submitted as soon as possible after the event takes place.
- The University reserves the right to take action against an individual for violating the Code of Conduct regardless of how much time has passed since the incident.
- Students living in the residence halls or apartments may also notify their Resident Directors or Resident Assistants.

**D. Disruptive Behavior, Violence & Endangerment**

1. **Disorderly activities and disorderly or unlawful behavior**

Disorderly activities and disorderly or unlawful behavior are prohibited. These activities include the following:

- Excessive noise
- Unauthorized use of loud speakers
- Use of profanity
- Creating a disturbance
- Engaging in fights, assaults, riots and unlawful assemblies
- Causing damage/destruction of property
- Menacing/stalking
- Misuse of university resources (i.e., electronic mail, computer services, copiers, etc.)
- Violation of any municipal, state, or federal law
- Failure to identify upon request or comply with directives of campus security or any university official while performing their duties

2. **Assault**

Members of the OC community believe that an assault of a fellow member of the university community or anyone else present on the campus is a very serious violation of the OC Covenant, the Student Code of Conduct and the other person’s rights. As a result, assault, physical abuse or verbal harassment of any person on the
campus is prohibited. Assault is defined as a physical attack upon another and/or an attempt or threat to do harm to another. Unwanted physical contact by a person upon another may also constitute assault.

3. Disruption
Disruption is the obstruction of teaching, research, administration, disciplinary proceedings, and other college activities, including its public service functions on or off campus, or other authorized non-university activities, when the act occurs on university premises.

- OC will not tolerate any behavior that can be considered as endangering the physical or mental welfare of another person.
- Any form of violence will result in immediate disciplinary action.
- Possession or use of any weapon or explosive agents including fireworks.
- Immediate disciplinary action is also taken for actions such as harassment, taunting, hostility, stalking, intimidation, coercion, threats, abuse, assault, battery or anything that may be interpreted as such regardless of what form it takes (verbal or non-verbal, mental or physical, including sexual) or what medium is utilized (face to face, phone, computer, etc.).

4. Weapons
Possession of knives, swords, machetes and similar weapons or facsimiles, bows and arrows, firearms, guns of any kind (including Nerf, cap, BB or pellet guns and paint ball guns), ammunition or items that replicate the same are strictly prohibited on campus.

5. Penalties for Disorderly Conduct
- The University will cooperate with local, state or federal authorities as appropriate.

- Any student suspected of any form of endangering the physical or mental welfare of another person may be removed immediately from campus and suspended on an interim basis until either a decision is reached and/or the appeal process is completed. In such cases the student is not allowed to come on campus or make contact with any OC faculty member, staff member or student without prior appropriate consent from the Dean of Students.

- A student on interim suspension who fails to comply with any request is held accountable for his or her actions. He or she may be suspended or dismissed from the University for violating the conditions of the interim suspension.

- The University will utilize on and off-campus law enforcement agencies as necessary.

6. Statement on Joking about Violence (Including Games)
OC takes a strong stand against any joking about violence, harassment, hostility, stalking, intimidation, coercion, threats, abuse, assault, battery or anything that may be interpreted as such. Also included in this injunction is participation in games where participants are "injured" or "killed" as part of the game.
E. **Ethos Policy**

OC places premium value on maintaining the tradition of required spiritual development and considers chapel attendance, service to the community, small groups, and other spiritual development opportunities to be a cornerstone in the students' experience while attending the University.

Students can receive credit at approved Ethos events by scanning their ID cards, checking in with the event organizer, or by checking in remotely by using the Ethos app on their personal electronic device.

Most chapels begin promptly at 11:00 a.m. Students arriving after the scanners are turned off at 11:00 a.m. are counted absent. Attendance at other events will be taken promptly at the beginning of the event and the person or persons hosting the event will verify attendance.

- Each student should scan in or check in with his or her personal ID card or personal electronic device only. Any student scanning a different ID card or having his or her ID card scanned by another person will face disciplinary action.
- If a student decides to leave an event after scanning in or checking in remotely, the student needs to contact the event organizer before leaving so the attendance records can be changed to reflect an absence. Disciplinary action is taken against any student who scans or checks in and leaves an Ethos event without notifying the event organizer before leaving.
- Students are expected to make sure personal electronic devices are turned off during chapel. **Laptop computers should not be used during chapel.** Those students that are engaged in any disrespectful or disruptive behavior are subject to disciplinary action.
- Students are expected to participate in Ethos events until officially dismissed. Those who leave early may be assessed an absence or disciplinary consequences.
- Full-time traditional students are required to accumulate a total of 65 kudos per semester, as outlined in the chart below (Ethos Attendance Requirements).
- Students are responsible for keeping track of their total kudos and may check their attendance on the homepage of MyOC or the Ethos app by logging on via a personal electronic device.
- If a student does not accumulate the required number of kudos, a hold is placed on his or her account. He or she may not register for classes and may be placed on disciplinary probation. To remove the hold a student must contact the Student Life Office and appropriate disciplinary action will be taken.

1. **Part Time Students and Ethos**

- Part time students must fill out a Permanent Requirement Reduction Form in order to have their required spiritual development credits reduced - this is not done automatically. This form can be found on MyOC under Services.
2. **Requirement Reductions**
   - Students who believe that they have extraordinary circumstances and wish to see if they qualify for a reduction in their spiritual development requirements may schedule an appointment with Ms. Emily Kurt in the Spiritual Life Office. Students may reach Ms. Kurt via email at Emily.kurt@oc.edu or call her at 405-425-5928. This meeting should take place before or during the circumstance in question, if at all possible.

3. **Permanent Requirement Reductions**
   - A permanent reduction in Ethos requirements is available for students with special circumstances that prohibit them from attending Ethos events on 1 day or more per week.
   - The online form for obtaining a permanent requirement reduction can be found on MyOC under Services, Student Services. (See ‘Reasons for Permanent Requirement Reductions’ below).
   - A Permanent Requirement Reduction is good for only 1 semester. It must be renewed by the student each semester.
   - Students are expected to notify Emily Kurt in the Spiritual Life Office or by calling 405-425-5928 or email emily.kurt@oc.edu if the reason for their reduction changes and the permanent requirement reduction becomes invalid.
   - Reasons for a Permanent Requirement Reductions:
     - If you live off campus with no classes 30 MINUTES before AND after chapel.
     - If you are taking 11 hours or less (including UCO classes paid through OC)
     - If you are enrolled in a class at UCO which conflicts with chapel. You must submit a copy of the UCO schedule.
     - If you have a work conflict (working specifically during chapel) you must bring in an official letter on letterhead from your employer stating that you work during chapel along with completing the permanent chapel excuse form.
     - If you are involved in a practicum through Oklahoma Christian University, which conflicts with Chapel.
   - If a permanent requirement reduction for the semester is granted, students should be aware that their total number of required kudos is outlined in the following chart:

<table>
<thead>
<tr>
<th>ETHOS ATTENDANCE REQUIREMENTS</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Weekly Chapel Assignment</strong></td>
</tr>
<tr>
<td>5 Days Per Week</td>

<td>3 Days Per Week</td>
</tr>
<tr>

</tbody>
</table>

- Permanent requirement reductions are retroactive for 10 working days from the date received; absences within the 10 working day period are excused.

4. **Failure to Meet Minimum Ethos Requirements (Disciplinary Action)**

- A failure to meet the required spiritual development credits (kudos) is considered a serious violation of the Code of Conduct.
- If a student continues to not meet the minimum requirements a hold will be placed on the student’s account, preventing the student from registering or obtaining a transcript and/or they may be placed on disciplinary probation.
- The student will be referred to the Associate Dean of Students, for further disciplinary action.
- A student may be suspended from the University if the student continues to not meet the minimum Ethos requirements.

F. **Hazing**

1. **Policy Statement**
   Hazing is a criminal offense in the State of Oklahoma statutorily prohibited at TITLE 21 OKLAHOMA STATUTES §1190. Hazing is strictly prohibited at Oklahoma Christian University. No student, student organization, athletic team, performing group, or employee shall participate in any hazing activity, as defined in this policy.

2. **Scope of Policy**
   This policy prohibiting hazing activities shall apply to all students, employees, or agents and any club, organization, team, group, or any collective association of such individuals.

3. **Sanctions**
   Any student of Oklahoma Christian University, who participates in a hazing activity, as defined in this policy, is subject to discipline which may include expulsion. Hazing is a Level 2 violation of the Student Code of Conduct.

   Any employee or agent of Oklahoma Christian University, who participates in a hazing activity, as defined in this policy, is subject to discipline up to and including termination. The Executive Vice President shall be the Responsible Administrator with regard to employee participation in hazing activities.
Any campus organization, team, or group, which violates the University prohibition on hazing, shall be subject to discipline including fines, suspension, or dissolution.

4. **Grievance Procedure**

Any victim of any hazing incident shall report the incident to the office of Student Life by calling 405-425-5917, or by e-mailing elizabeth.mcelroy@oc.edu. The Student Life office shall immediately report the incident to local law enforcement who shall conduct the investigation.

Oklahoma Christian University Student Life staff shall not investigate allegations of hazing. Such investigations will be conducted by local law enforcement, which shall determine if criminality has occurred. If so, local law enforcement will forward the investigation to the office of the Oklahoma County District Attorney.

5. **Definitions**

1. "Hazing" means an activity which recklessly or intentionally endangers the mental health or physical health or safety of a person for the purpose of initiation or admission into or affiliation with any organization operating subject to the sanction of Oklahoma Christian University. Hazing activity is objectively forbidden regardless of whether or not the victim willingly participates in the activity.

2. "Endanger the physical health" shall include but not be limited to any brutality of a physical nature, such as whipping, beating, branding, forced calisthenics, exposure to the elements, forced consumption of any food, alcoholic beverage, low-point beer, drug, controlled dangerous substance, or other substance, or any other forced physical activity which could adversely affect the physical health or safety of the individual.

3. "Endanger the mental health" shall include any activity, except those activities authorized by law, which would subject the individual to mental stress, such as prolonged sleep deprivation, forced exclusion from social contact, forced conduct which could result in embarrassment, or any other forced activity which could adversely affect the mental health or dignity of the individual.

6. **Policy Implementation**

1. The Dean of Student Life shall distribute the Hazing Policy to all students via e-mail during the first month of classes.

2. As a condition of recognition as an official Oklahoma Christian University organization, team, or group, all campus organization leaders, team members, performing groups, and their faculty or staff sponsors or coaches, shall participate in a mandatory anti-hazing training session during the month of September, each academic year.

3. As a condition of recognition as an official Oklahoma Christian University organization, team, or group, during the annual training session, all campus organization leaders, and their faculty and staff sponsors or coaches, shall each
acknowledge the following: (1) participation in and completion of the training, (2) receipt of the policy prohibiting hazing activities, (3) personal responsibility for implementing the policy prohibiting hazing activities within the organization, and (4) indemnification of Oklahoma Christian University against any harm, cost, or liability arising from violation of the policy by the organization, team, or group or any individual within the organization, team or group.

4. The annual acknowledgment shall be kept on file with the Office of General Counsel.

G. Judicial Procedures

1. Philosophy of Student Discipline
   The judicial process is based on the assumption that disciplinary procedures, when required, should be an educational process. Disciplinary sanctions are imposed to help students develop individual responsibility and to encourage self-discipline, to foster a respect for the rights of others and to protect the rights, freedoms and safety of members of the University community. Law authorizes an institution of higher learning to establish and administer codes of conduct and to suspend, expel or dismiss students whose actions negatively impact the campus community; the University reserves this right.

   Student disciplinary proceedings are not analogous to criminal court proceedings. However, the procedures are structured in order to facilitate a reliable determination of the truth and to attempt to provide fairness. Fairness requires that students be informed of the nature of the charges and be given an opportunity to respond.

2. Student Notification
   A Resident Director or the Office of Student Life notifies the student of the requested meeting. Information is gathered to determine whether or not the student is considered to have violated the Code of Conduct. A student’s failure to respond in a timely manner to set up an appointment is, in and of itself, a Code of Conduct violation and may result in additional or more severe disciplinary action. In cases where the student does not respond to repeated appointment requests or fails to appear for the scheduled meeting, disciplinary action may be decided solely on the information at hand without the input of the student.

3. Informal Hearings
   In some cases of student misconduct, a formal hearing may not be necessary; this is most often true when the violation is of a less serious nature, where the misconduct would not result in suspension or dismissal. In such a case, the student attends an informal hearing with a university staff member (normally the Judicial Administrator or a Residence Director) to discuss the incident, the student’s involvement in it and any steps that must be taken or sanctions imposed to resolve the matter. The meeting is followed by an official letter summarizing this discussion.

4. Staff/Faculty/Student Judicial Board Procedures
   The Judicial Board is composed of a minimum of 2 faculty/staff members and 1 student. The Judicial Administrator will serve as a non-voting member on the Judicial Board, representing the office of Student Life.
When the Judicial Board is satisfied that all parties have been adequately heard, it will deliberate in private. All hearings are tape-recorded up to this point. Deliberation, however, will remain off the record.

The student is notified in writing as to the decision of the University.

Hearings are conducted according to the following guidelines:

1. PRIVACY – Hearings are normally conducted in private.

2. ATTENDANCE – Admission of any person to the hearing is at the discretion of the Judicial Administrator.

3. MULTIPLE STUDENTS – In hearings involving more than one accused student, the Judicial Administrator may permit the hearings concerning each student to be conducted separately.

4. ORDER – Hearings are chaired by the Judicial Board Chair Person and will proceed in the following manner:
   a) Reading the student’s specific violations of the Code of Conduct
   b) Presentation of information by the University
   c) Discussion of the information between Judicial Board and the Judicial Administrator
   d) Presentation of information by the student charged and questions by the committee
   e) Decision made by the Judicial Board

5. ADVISOR – Accused students have the right to be assisted by an advisor. The advisor may be a parent, friend, or attorney. Accused students are responsible for presenting their own response. Advisors are not permitted to represent the student or to participate in the hearing. Attorneys will not be allowed as advisors unless the attorney first notifies the office of General Counsel.

6. WITNESSES – The committee and the accused student may call witnesses. Witnesses may only be present while giving testimony.

7. EVIDENCE – Pertinent records, exhibits and written statements may be accepted as information for consideration by the committee at the discretion of the Judicial Administrator.

8. QUESTIONS – All procedural questions are subject to the final decision of the Judicial Administrator.

9. VOTE – After the hearing, the board determines by a majority vote whether the student violated each section of the Code of Conduct that the student is charged with violating. The committee’s determination is made on the basis of whether it is more likely than not that the accused student violated the Code of Conduct.

10. GUILTY/SANCTIONS – If the board finds the student in violation of the Code of Conduct, the board then determines appropriate sanctions. The Judicial Administrator notifies the student in writing of the board’s decision and the issued sanctions.
11. **RECORD** – There is a single written record of the hearing, which normally consists of the statement of alleged misconduct, a summary of the information presented in the hearing, a summary of the statement of the accused, a statement of the decision, and the issued sanctions, if any; the hearing may be transcribed or otherwise recorded.

12. **ABSENCE** – If the accused student fails to appear at the hearing, the board may make a decision based on the available information. If the Judicial Administrator determines that the accused student is absent for a worthy reason, a new date may be set for the hearing.

5. **Appeals of Disciplinary Decisions**
   - Any student may appeal a disciplinary decision within 5 working days.
   - This appeal must be in written form or via e-mail.
   - Disciplinary decisions made by Resident Directors may be appealed to the Associate Dean of Students.
   - In matters involving suspension or dismissal, the student may appeal to the Staff/Faculty/Student Judicial Board. The Judicial Board will make a recommendation to the University about whether or not the decision should be overturned. This recommendation is presented to the Dean of Students for review and final approval.

6. **Disciplinary Sanctions**
   The assignment of any disciplinary sanction(s) shall be determined by:
   1. The nature of the offense.
   2. The severity of the violation.
   3. The behavioral history of the student and/or the overall performance as a student and as a member of the community at OC.

7. **Definition of Sanctions**
   a) **Disciplinary Probation**
      Disciplinary probation may be an option for another offense after a written disciplinary report or for more serious infractions. **A student on disciplinary probation will have freshman curfew reinstated if living in a dormitory.** A student on disciplinary probation is ineligible to:
      - Participate in the student government as an officer
      - Represent the University in public events such as varsity sports, Spring Sing or extracurricular activities (not a graded class requirement) such as plays or concerts during the probation period
      - Sign out, except to his or her parent’s house
      - Have late permissions
      - Participate in intramural sports
      - Move to the campus apartments until he or she has successfully completed one semester without any violation resulting in disciplinary probation or suspension
      - Receive a curfew waiver during the probation period

      The University reserves the right to revoke the student’s eligibility to remain in the campus apartments.
b) **Dismissal**
   - Dismissal is the temporary separation of the student from OC for a definite period of time, but not less than 2 semesters, after which the student must re-apply through the Office of Admissions and be granted acceptance before becoming eligible for re-enrollment at the University.
   - Conditions for readmission may be specified, but the student is not guaranteed readmission.

c) **Dismissal from University Housing**
   - In accordance with University housing policy, students required to live on campus but are dismissed from University housing will be dismissed from OC.
   - Any student dismissed from the residential community prior to the end of the contractual period may be responsible for any remaining monetary charges, as well as ineligible for reimbursement for any charges already paid.

d) **Educational Sanctions**
   Educational sanctions consist of, but are not limited to, the following:
   - Community service
   - Essay writing assignment
   - Attendance at a seminar
   - Drug or alcohol programs/assessments
   - Other discretionary sanctions as deemed appropriate by appropriate University officials

e) **Expulsion**
   - Expulsion is the permanent separation of the student from OC.
   - The student is dismissed from the University and is permanently ineligible to re-enroll at the University at any time in the future.
   - When students are dismissed, expelled or suspended for disciplinary reasons, there is no refund of tuition or room charges for the semester and all financial aid is canceled.

f) **Fines**
   Fines are the payment of charges for violation of regulations. These charges are added to a student’s account.

g) **Forfeiture of Financial Assistance**
   - Every student who has accepted a scholarship, loan, fellowship, grant-in-aid, or any other financial assistance by the University or the state is deemed to have agreed to observe the rules and regulations of the University.
   - The University shall review the record of each recipient of financial assistance who has been placed on University disciplinary probation, suspended, expelled or dismissed from the University, or arrested and convicted as a result of a violation of University policy.
In such cases students who have accordingly violated the student Code of Conduct as outlined in the Student Handbook may forfeit their financial assistance.

For further information regarding this policy, please contact the Office of Financial Assistance.

h) **Interim Suspension**

In certain circumstances, the Dean of Student Affairs or a designee may impose a University or residence-hall suspension prior to a meeting with the Student Disciplinary Committee. Interim suspension may be imposed:

- To ensure the safety and well-being of members of the University community or preservation of University property
- To ensure the student's own physical or emotional safety and well-being
- If the student poses a definite threat of disruption of or interference with the normal operations of the University

During the interim suspension, the Dean of Students may deny access to the residence halls and/or to the campus facilities (including classes) and/or all other University activities or privileges for which the student might otherwise be eligible.

i) **Loss of Privileges**

Such loss may include, but is not limited to:

- Financial assistance
- Eligibility to represent the University officially on athletic teams or performing groups
- Seeking or holding an elected student office
- Participation in or use of specific University facilities, computer systems, equipment or services

j) **Non-Disciplinary Procedures**

It is our desire at OC that students, who want help for behavioral concerns and are willing to be responsible and honest, be able to get that help without disciplinary action being taken, if possible. Therefore, students that voluntarily confess an addictive lifestyle issue (including alcohol, drugs, pre-marital sex, pornography and eating disorders) to the Dean of Students are eligible for a range of non-disciplinary options, including counseling or medical treatment. The following conditions must be met in order for the student to be eligible:

a. The student must initiate the discussion before the issue has been identified by University personnel or reported to the Office of Student Life. Once the issue or violation has been identified or reported, normal disciplinary processes begin.
b. The student must be willing to submit to intervention as deemed appropriate by the Dean of Students.

c. A failure to comply with assigned intervention(s) and complete all requirements by any deadline imposed results in disciplinary action.

d. Another violation in the same area(s) addressed after the initial meeting results in disciplinary action being taken.

e. Issues involving harm to self, endangering others or legal issues do not qualify under this provision and are handled through normal University procedures.

k) **Non-Disciplinary Emergency Withdrawal**

- A student may be subject to an emergency withdrawal if he or she engages, or threatens to engage, in behavior which:
  
  - Is harmful or destructive to himself or herself.
  - Substantially impedes the normal activities of other members of the campus community, which includes the disruption of residential life.
  - Indicates that he or she is unable to successfully complete the current academic requirements.

- The University may impose additional requirements or conditions before the student may be considered for re-admittance.

- The student may appeal the withdrawal decision within 5 working days by sending a written request to the Dean of Students outlining the reasons why the decision should be reversed.

- The University will conduct a review to determine if the decision to withdraw the student should stand or be reversed. This review may utilize a consultation from a licensed mental health professional as well as an overall evaluation of the student’s previous performance in and out of the classroom.

- The student may obtain, at his or her own expense, an independent psychological evaluation from a licensed mental health professional and present this information to the administration for consideration.

l) **Restitution**

Restitution is the compensation for loss, damage or injury. Failure to pay such charges may result in additional sanctions (including, but not limited to, denial of re-enrollment or refusal to release official transcripts and records).

m) **Sanctions for Student Organizations**

- Student groups and organizations may be charged with violations of this Code of Conduct.

- A student group or organization and its officers may be held collectively and/or individually responsible when violations of this Code occur, either
during an event sponsored by the organization or by an individual representing or associated with that organization or group.

- The following sanctions may be imposed upon groups or organizations:
  - Disbandment: this includes the loss of all privileges, including University recognition, for a specified period of time
  - Permanent dissolution
  - Warning
  - Reprimand
  - Probation
  - Fines
  - Loss of privileges
  - Restitution
  - Other educational sanctions

- See the Social Service Club Handbook for additional information.

- Alternative disciplinary action fitting the offense as mandated by the Dean of Students, the Judicial Board, or any other appropriate University official or appointed board may also be imposed.

n) **Suspension**

- Suspension is the temporary separation of the student from OC for a definite period of time, after which the student is eligible to return without re-applying through the Office of Admission.

- If the student is absent for 2 or more academic years, he or she is required to re-apply and be readmitted by the Office of Admissions, as is the case for all students. Conditions for readmission may be specified.

o) **Warning**

- Oral or written notice to the student that the student violated the Code of Conduct and that the continuation or repetition of misconduct may result in a more severe sanction.

p) **Written Disciplinary Report**

- A written disciplinary report is an officially recorded disciplinary action.

- It is usually, but not always, given for a Code of Conduct violation after the student has already received a warning; a written disciplinary report is also issued for behavior that is viewed by the University as more serious than that which would require a verbal warning, but less serious than that which would require probation or other sanctions.

- This document is placed in the student's permanent file.

- Any other violation of the Code of Conduct (even a minor violation) for the remainder of the school year may result in consequences found in the next level of disciplinary action (such as disciplinary probation or more severe sanctions).
H. Modesty & Decency Policy

1. Decency Policy
Decency prohibits forms of expression inconsistent with OC’s mission such as:

- Profanity or vulgarity
- Display of advertisements for any substance or behavior restricted by OC (including empty alcohol or tobacco containers)
- Any material that may be construed overtly suggestive, demeaning or pornographic

Due to the subjective nature of defining these categories, Resident Directors, Director of Residence Life and University officials reserve the right to make these decisions on a case-by-case basis.

2. Statement on Modesty
Oklahoma Christian University expects its students to conduct themselves as responsible citizens in a Christian community. Enrollment at OC is a privilege that brings with it responsibilities and accountability. Students should be challenged by the question, “Are you honoring God with what you wear?”

In modesty, as in all areas of life, Christians are to be in the world and not of the world. Purity of heart and of action is our standard. Fads and fashion trends often beguile us to settle for attire that is not appropriate for one who honors the temple of God’s Spirit. The apostle Paul also alerts us not to dress or conduct ourselves in a way that causes another to stumble. In the area of modesty, the world’s standards are not our standards.

As an institution devoted to helping people live like Jesus, we believe it is our responsibility to teach and demonstrate modesty. We do not seek just outward compliance to a written code. Rather, we seek a spirit that recognizes what is immodest and a spirit that regularly chooses to wear what is appropriate.

An additional challenge for members of God’s family is to not sacrifice the opportunity to have a positive influence on others by the way we appear and present ourselves. Each of us makes a decision about what we portray with what we wear. It should be our goal to remain pure in our minds and in our actions.

- The University reserves the right to make decisions regarding a student’s attire and appearance on a case-by-case basis.
- Members of the faculty and administration shall have the right and are expected to require students to change their clothing if they believe they violate these expectations.
- Students are expected to hold one another accountable to following this policy.
- Faculty and staff are expected to uphold the same expectations.

_Ephesians 5:3 – But among you there must not be even a hint of sexual immorality, or of any kind of impurity, or of greed, because these are improper for God’s holy people._
3. University Dress Code
The determination of precisely when an article of clothing crosses over from modest to immodest is a matter of judgment and maturity. However, as followers of Christ it should not be our objective to get as close to the line as possible without sinning. The following expectations will help us live up to Jesus’ standard of modesty and should be followed. Any questions or clarifications can be directed to the Student Life Office.

- Attire should be modest and appropriate at all times.
- Shirts should be worn at all times.
- Clothing on upper and lower torso must meet at all times.
- Shorts and skirts should be at a minimum one-inch below the tips of the fingers with the arms and hands fully extended on the side. This applies with or without leggings.
- If wearing leggings your shirt should be one-inch below your fingertips when your arms and hands are fully extended to your side. Tights as pants are not acceptable. Athletic and yoga pants are only appropriate on campus when covered with shorts.
- All shirts or dresses must have straps that are at least an inch in width.
- Students should wear clothing that has an appropriate neckline that is not revealing or indecent at any time. This would include shirts that are too loose, too low cut or too tight, making them inappropriate or calling undue attention to any area of the body.
- Advertisements worn on clothing or on jewelry must uphold the values and expectations of the University. Verbal or visual references to profanity, alcohol, tobacco, and drugs are prohibited on clothing.
- During work periods student workers are expected to conform to the dress code set by the department in which they work.
- Individual faculty members may have additional dress requirements in their classrooms.

4. Modesty and the Fitness Center
Minor variations from this modesty code may be allowed in the fitness center; however, students should honor the principles of this code in their exercise clothing. Attire for travel to and from the fitness center should fully meet the modesty code.

5. University Hair Policy
The University seeks to have students that are appropriately groomed. Unconventional hair styles are evaluated on an individual basis. Students whose hairstyles are deemed inappropriate will be asked by student life personnel to make alterations.

I. Sexual Misconduct Policy {Revised Aug. 1, 2015}

1. Policy Statement:
Oklahoma Christian University prohibits all unlawful discrimination on the basis of sex or gender in its educational programs and activities. Discrimination on the basis of sex or gender is also prohibited by federal laws, including Title VII and Title IX. Notwithstanding, Oklahoma Christian University is a religious institution with sincerely held religious beliefs, based in scripture, and is therefore exempt on religious grounds, from certain civil rights laws including portions of Title VII and Title IX.
This policy governs the University’s response to unlawful discrimination based on sex or gender, and all forms of sexual misconduct (which includes sexual harassment, sexual violence, dating violence, domestic violence, sexual exploitation and stalking. Such behaviors are against the law and are unacceptable behaviors under Oklahoma Christian University policy. These unacceptable behaviors are hereafter referred to as “sexual misconduct.” The University does not tolerate sexual misconduct and it will take action to prevent and address such misconduct. The University has jurisdiction over all Title IX and related complaints. Questions about Title IX may be directed to Oklahoma Christian University’s Title IX Coordinator, Tamie Willis, (405) 425-5320, or the Department of Education’s Office of Civil Rights.

Individuals who have experienced sexual misconduct are strongly urged to promptly report such incidents. Oklahoma Christian University will respond promptly to all reports of sexual misconduct. According to the procedures below, the University will provide a fair and impartial review and resolution for complaints and, where appropriate, issue sanctions and remedial measures. The severity of the corrective action, up to and including termination or expulsion of the offender/respondent, will depend on the circumstances of the particular case. Any person who is a Responsible Employee (as defined below), at the University, such as administrators, supervisors, managers or faculty members, and who has received information or has knowledge of sexual misconduct, must make a report to designated University officials or be subject to disciplinary action (see section on Responsible Employees below).

Retaliation against anyone who makes a report of sexual misconduct is prohibited by University policy as well as Title IX and other state and federal laws. Procedures for reporting incidents of sexual misconduct, and investigating and adjudicating sexual misconduct complaints are part of this policy and are included or linked below. In exceptional cases, and upon consultation with the Vice President and General Counsel, the University reserves the right to take prompt action without employee or student conduct proceedings.

2. **Scope of the Policy:**
This policy is designed to protect all members of the University community:

(1) all students  
(2) all employees: academic, staff, temporary (hourly)  
(3) others including volunteers and visitors while on University property or involved in an Oklahoma Christian University program off-campus.

The policy applies regardless of sex, gender, sexual orientation, gender identity, immigration status and citizenship status. It applies to relationships among peers as well as to superior-subordinate relationships.

Other University policies and codes related to misconduct will remain in effect for complaints of misconduct other than sexual misconduct. However, any report or complaint of misconduct that includes elements defined below will be addressed in accordance with this sexual misconduct policy and included procedures.
3. **Purpose of the Policy:**
Oklahoma Christian University is committed to the safety and well-being of all members of the University community including students and employees. Oklahoma Christian University recognizes that sexual misconduct may result in grave and often long-lasting effects on those involved and is committed to timely investigation of allegations of sexual misconduct, use of interim measures when appropriate, and appropriate actions and consequences following investigations. Oklahoma Christian University is committed to compliance with state and federal laws regarding sexual misconduct, required reporting to state and federal agencies, and to working with law enforcement officials and agencies. The University is also committed to education to improve preventative programs.

4. **Important Policy Definitions (Additional Definitions Below):**

**Sexual Harassment**
Sexual harassment is unwelcome conduct or behavior of a sexual nature. Sexual harassment includes Sexual Violence. Both violent and non-violent sexual harassment is prohibited. Sexual harassment can include unwelcome sexual advances, requests for sexual favors and other verbal, nonverbal, written, electronic (e.g. by e-mail, text, social media, etc.), or physical conduct of a sexual nature. Sexual harassment occurs when:

1. submission to or rejection of such conduct is made either explicitly or implicitly a condition of an individual’s employment or academic standing or is used as the basis for employment decisions or for academic evaluation, grades, or advancement (quid pro quo), or when
2. such conduct is sufficiently severe, pervasive or persistent to limit or deny a person’s ability to participate in or benefit from the University’s educational programs or affects employment, creating a hostile environment.

**Sex-Based or Gender-Based Discrimination**
Sex-based or Gender-based discrimination is verbal, nonverbal, graphic, or physical aggression, intimidation, or hostile conduct based on sex, sex-stereotyping, sexual orientation or gender identity, but not involving conduct of a sexual nature, when such conduct is sufficiently severe, persistent, or pervasive that it interferes with or limits a person’s ability to participate in or benefit from the University’s education or work programs or activities. For example, persistent disparagement of a person based on a perceived lack of stereotypical masculinity or femininity is prohibited under this policy. Nothing in this policy limits or restricts any of the University’s rights under any religious exemption from any civil rights law.

**On or Off Campus Behaviors**
This policy applies to sexual misconduct that occurs on campus or in the context of any University program or activity, including off-campus conduct in the context of a University program or activity. This policy also applies to sexual misconduct that has a continuing adverse effect or creates a hostile environment on campus or in any University program or activity whether on or off campus. Prohibited conduct that takes place off campus includes, but is not limited to, sexual misconduct in connection with an academic course assignment, internship, practicum, field trip, study abroad program, student teaching, research, or other University activity; or sexual misconduct in connection with any activity sponsored, conducted, or authorized by the University or by a student organization; or where the sexual misconduct undermines the security of the University community or the integrity of the educational process or poses a serious threat to self or others. Where a student organization has contributed to or created a hostile environment
in connection with an incident of sexual misconduct, the student organization will be subject to discipline and appropriate sanctions, as determined by the Vice President and Dean of Students.

Consent
Consent – is expressed through affirmative, voluntary words or actions mutually understandable to all parties involved:

(1) Consent is given for a specific sexual act at a specific time and can be withdrawn at any time.
(2) Consent cannot be coerced or compelled by duress, threat, or force.
(3) Consent cannot be given by someone who, for any reason, cannot understand the facts, nature, extent, or implications of the sexual situation occurring, including, but not limited to, those who are under the legal age of consent, asleep, unconscious, mentally or physically impaired through the effects of drugs or alcohol, or mentally impaired due to an intellectual or other disability.
(4) Consent cannot be assumed based on silence, the absence of “no” or “stop”, the existence of a prior or current relationship, or prior sexual activity.

Intellectual Inquiry and Debate
In determining whether sexual misconduct has occurred and what type of remedy, if any, might be appropriate in a given case, the University will also consider the fact that free intellectual inquiry, debate, and constructive dialogue are vital to the University’s academic mission and must be protected even when the views expressed are unpopular or controversial. Accordingly, any form of speech or conduct that is protected by state or federal law, including the First Amendment, is not subject to this policy.

The definition of sexual harassment in this policy is meant neither to proscribe nor to inhibit discussions, in or out of the classroom, of complex, controversial, or sensitive matters, including matters involving sex, gender, sexuality, sexual-orientation, sexual behavior, or gender-identity or expression, when in the judgment of a reasonable person they arise for legitimate pedagogical purposes. This includes intellectual inquiry, debate, and dialogue on issues of sexual misconduct. The mere expression of views, words, symbols or thoughts that some people find offensive, does not by itself create a hostile environment.

Awareness, Education, Prevention and Training Programs
Oklahoma Christian University is committed to providing ongoing educational programming for students, employees and other members of the University community to promote awareness of the problems caused by sexual misconduct and to help prevent and attempt to reduce the risk of the occurrence of sexual misconduct. Educational programs will include information on how and where to report incidents of sexual misconduct, resources available, as well as safe and positive options for bystander intervention that may be carried out by individuals to prevent harm or intervene when there is a risk of sexual misconduct being inflicted on another person. Efforts will be made to ensure that educational programs are culturally relevant and inclusive of the diverse communities and identities found at Oklahoma Christian University. Employee training shall be provided to those involved in reporting, receiving reports, investigating, adjudicating and otherwise responding to charges of sexual misconduct at the University. Certain training may be mandated by applicable federal or state law. The appropriate training will be tailored to the audience, and include reporting and response obligations, available
resources, as well as information about how to prevent and identify sexual misconduct. Individuals specifically involved in implementing the University’s sexual misconduct procedures will be trained on issues and applicable policies and procedures relating to sexual misconduct, as well as how to conduct the investigation and hearing process in a manner that protects the safety of all parties and promotes fairness and accountability.

Resource Information
The University will disseminate campus-specific information regarding available on and off campus resources and other relevant materials. Resource information will include, but is not limited to:

(1) University and community psychological and counseling resources;
(2) University and community medical resources (including the availability of nurses trained in sexual assault response);
(3) Resources for non-U.S. citizens (visa, immigration, and translation assistance);
(4) How to report an incident of sexual misconduct to the University and local law enforcement;
(5) Available confidential employees;
(6) Information and assistance regarding adjustments to academic housing, financial aid, obtaining no contact orders, and other needs on campus;
(7) Community resources such as legal assistance and obtaining protective orders.

Duties of Title IX Coordinator
Oklahoma Christian University's Title IX Coordinator, Ms. Tamie Willis, (405) 425-5320, will be informed of all reports of sexual misconduct, and will oversee the University’s review, investigation, and resolution of those reports to ensure the University’s compliance with Title IX, and other related laws, and the effective implementation of this policy. The Title IX Coordinator will have adequate training on what constitutes sexual harassment, including sexual violence.

The Title IX Coordinator is:
(1) Responsible for oversight of the investigation and resolution of all reports of sexual harassment, sexual violence, stalking, and domestic and dating violence involving students, and employees;
(2) Knowledgeable and trained in University policies and procedures and relevant state and federal laws;
(3) Available to advise any individual, including a complainant, a respondent, or a third party, about the courses of action available at the University, both informally and formally, and in the community;
(4) Available to provide assistance to any University employee regarding how to respond appropriately to a report of sexual misconduct;
(5) Responsible for monitoring full compliance with all procedural requirements, record-keeping, and timeframes outlined in this policy;
(6) Responsible for overseeing training, prevention, and education efforts, and any reviews of climate and culture; and
(7) Responsible for providing the University aggregate, non-identifying information in regard to reports, investigations, resolutions, and sanctions.

Deputy Title IX Coordinators are responsible for assisting the Title IX Coordinator and tracking and reporting to the University Title IX Coordinator all incidents of sexual misconduct. Deputy Title IX Coordinators will work with the University Title IX
Coordinator to ensure that the appropriate designated campus officials are involved in investigating and adjudicating complaints according to this Sexual Misconduct Policy and other applicable University policies and procedures.

Deputy Title IX Coordinators will work with the University Title IX Coordinator to ensure that adequate education, training, sanctions, and appropriate resources are available and provided. Student Services Professionals assist in educating the campus community and directing those who report an incident of sexual misconduct to the appropriate campus resources.

5. Procedure

Immediate Assistance

In an emergency or if you see a crime in progress, always call 911 immediately.

The University shall provide, publicize and update information for immediate assistance, including contact information for emergency and medical assistance, counseling services, as well as local law enforcement. Information about ways to report anonymously or to speak to a confidential employee will also be provided to each student and employee.

The University will provide written information to anyone who has experienced sexual misconduct, about:

- (1) University procedures dealing with sexual misconduct, including to whom and how the alleged offense should be reported, as well as their rights and options;
- (2) The importance of preserving evidence that may assist in proving the alleged criminal offense occurred, as well as how to preserve such evidence;
- (3) Options about the involvement of law enforcement;
- (4) Rights and University responsibilities with respect to orders of protection and how to obtain such orders; and
- (5) Available campus and community resources.

Reporting Sexual Misconduct

In an emergency or where immediate help is needed, call 911.

Anyone wishing to report an incident of sexual misconduct can do so using the following methods:

- (1) Reporting directly to campus or local law enforcement if the incident involves sexual violence;
- (2) Reporting directly to the Dean of Students;
- (3) Reporting directly to a Deputy Title IX Coordinator; or
- (4) Reporting directly to the University Title IX Coordinator.

All reports of sexual misconduct will be shared with the University Title IX Coordinator in a timely manner. In addition, if a report of sexual misconduct is not made initially to the Oklahoma Christian University Police Department (OCPD), and the information indicates it may be a crime reportable under the Clery Act, non-identifying information regarding the date, time, location and nature of the crime will be shared with OCPD for purposes of complying with the Clery Act. If the University and/or Deputy Title IX Coordinator(s) receive a report that indicates law enforcement should be informed and involved due to the potential threat to health and safety of an individual or the University
community, they may also share the identifying information needed for appropriate response by OCPD.

**Sexual Misconduct Involving a Child/Minor**

Sexual misconduct involving a child/minor (anyone under 18 years of age) must be reported. Oklahoma state law requires that any person who has reason to believe that a child/minor is a victim of child abuse or neglect (including sexual misconduct) has an affirmative duty to make an oral report to Department of Human Services (see 10A Okla. Stat. §1-2-101). Failure to report may result in criminal charges.

**Amnesty**

The University strongly encourages students to report instances of sexual misconduct. Therefore, students reporting an incident of sexual misconduct will not be disciplined by the University for a violation of the Code of Conduct related to their drug and/or alcohol consumption in connection with the reported incident of sexual misconduct.

**Retaliation**

Protections against retaliation are critical to reducing the prevalence of sexual misconduct within the University community. Retaliation against anyone who has reported an incident of sexual misconduct, provided information, or participated in procedures or an investigation into a report of sexual misconduct, is prohibited by the University and will not be tolerated. Acts of retaliation include intimidation, threats, and/or harassment, whether physical or communicated verbally or via written communication (including the use of e-mail, texts and social media), as well as adverse changes in work or academic environments or other adverse actions or threats. The University will take steps to prevent retaliation, and will impose sanctions on anyone or any group who is found to have engaged in retaliation in violation of this policy. Concerns about potential retaliation in connection with a report of sexual misconduct should be reported to a Deputy Title IX Coordinator or the University Title IX Coordinator.

**The Role of a “Responsible Employee” to Report and Respond to Sexual Misconduct**

The University encourages anyone who has experienced sexual misconduct to talk to someone about what happened, to ensure they are informed of the available support, resources and applicable complaint processes and to allow the University to respond appropriately. The information below explains the obligations of certain employees, known as Responsible Employees under Title IX, to report information brought to their attention regarding incidents of sexual misconduct to the appropriate University officials.

**Responsible Employees**

Pursuant to Title IX, a “Responsible Employee” includes those University employees who have the authority to redress sexual misconduct, who have the duty to report incidents of sexual misconduct, or who a student could reasonably believe has this authority or duty.

The University’s Responsible Employees include, but are not limited to:

1. All full-time instructors, including full-time professors, lecturers, and any others who offer instruction (whether in-person or online) or office hours to students;
2. All advisors;
3. All coaches, and other athletic staff who interact directly with students;
4. All student affairs administrators;
(5) All residential hall staff;
(6) All full-time employees who work in offices that interface with students; and
(7) All supervisors and University officials.

When an individual tells a responsible employee about an incident of sexual misconduct, that individual has the right to expect the University to take immediate and appropriate steps to investigate what happened and to resolve the matter promptly and equitably. Therefore, Responsible Employees have an obligation to report the information as explained below, as well as assist the individual in seeking medical attention and emergency response where appropriate, in understanding available resources on and off campus, and in understanding their options in making a criminal complaint as well as a complaint through the University’s procedures set forth in this policy.

If the incident is an emergency or poses a serious and continuing threat, the responsible employee should first call 911 or campus police immediately.

In all situations, a responsible employee must report to the Title IX Coordinator or a Deputy Title IX Coordinator. The responsible employee must report all relevant details of the alleged sexual misconduct that are known or reasonably known to them, or that have been shared with them, that the University will need to be aware of to determine what happened. This includes the names of the individual(s) affected and alleged perpetrator(s), any witnesses, and any other relevant facts, including the date, time and specific location of the alleged incident. A Responsible Employee should not discuss or share any information related to the incident, including the individual’s name, with anyone other than the Deputy and University Title IX Coordinators, and those directly involved in handling the University’s response, unless they received the individual’s prior consent or in the event of an emergency or existing threat to anyone’s health and safety.

Responsible Employees should make every effort to ensure that all individuals, including students, understand that the employee is legally obligated to make a report to the University Title IX Coordinator or a Deputy Title IX Coordinator in the event they are made aware of an incident of sexual misconduct.

In some instances, an individual who has experienced sexual misconduct may express a desire that the University not investigate the incident and/or not inform the individual accused. In those situations, the Responsible Employee must still report the information known to them, as required, but should also explain to the individual that the University will strongly consider the request, and will generally honor the request except in limited circumstances where the safety and well-being of the individual or the University community outweighs the reasons for the request. In reporting the details of the incident to the Title IX Coordinator, the Responsible Employee should ensure they inform the Coordinator of the individual’s request. Responsible employees who are also Campus Security Authorities (CSA) under the Clery Act, will satisfy their CSA reporting obligation by reporting incidents of sexual misconduct to a Deputy Title IX Coordinator or the University Title IX Coordinator, who will ensure that the appropriate non-identifiable information is conveyed to OCPD for Clery Act compliance purposes.

If an individual has not yet shared information with a Responsible Employee regarding an incident of sexual misconduct, and the individual wishes to maintain anonymity, the Responsible Employee may refer them to a Confidential Employee or off- campus
resource. However, once a Responsible Employee has knowledge of an incident of sexual misconduct, they must report.

**Role of Law Enforcement**

Any individual who has experienced sexual violence is encouraged to contact OCPD or local law enforcement. OCPD responds to emergency situations on the Oklahoma Christian University campus, and typically communicates and works with the University Title IX Coordinator to assist in investigations and incident response, as well as to track statistics for Clery Act reporting.

Individuals with a possible criminal case who have not made their initial compliant via the police will be provided with information about how to file a complaint with law enforcement. Individuals may also request assistance from campus authorities in notifying law enforcement. Individuals may decide not to notify law enforcement authorities, and proceed with a University investigation.

A University investigation under the procedures outlined in this policy may be initiated and/or proceed simultaneously with a criminal case. The University will cooperate with law enforcement, and if requested by law enforcement, defer its fact gathering for a brief period during the evidence gathering stage of a criminal investigation. However, the University will not consider its investigation on hold pending a criminal prosecution or investigation and will continue to communicate with individuals and address the need for any interim measures regarding safety and well-being, and resume its own fact gathering as soon as reasonable.

The determination by law enforcement whether or not to prosecute a respondent or the outcome of a criminal proceeding does not determine whether a violation of University policy has occurred. Records of University proceedings may be subpoenaed for a criminal prosecution. The University shall comply with the Family Education Rights and Privacy Act (FERPA).

**Confidentiality and Privacy**

**Confidential Employees**

Certain University employees – based on their professional licensure and the nature of their role on campus – are available to speak with individuals about incidents of sexual misconduct and maintain the individual’s desire for anonymity and absolute confidentiality. These confidential employees are exempt from the reporting requirements that apply to Responsible Employees. Individuals, who desire anonymity in discussing and seeking assistance about sexual misconduct, should contact and/or be referred to a confidential employee.

The University’s confidential employees include:

1. Licensed, professional mental health counselors working in that capacity, and those they supervise;
2. The Campus Minister;
3. Health care professionals and staff located in on-campus health care centers; and
4. Any staff or specialists on a campus specifically designated as non-professional sexual assault advocates.
Note: faculty, staff and other employees who are licensed mental health workers or are licensed medical workers, but who are not working in that capacity, such as faculty members in psychology, social work, nursing, etc., are not confidential employees under this policy. The University shall identify and publicize confidential employees.

Privacy
The University is committed to safeguarding the privacy of the parties in a manner consistent with the objective to effectively investigate and prevent incidents of sexual misconduct. In all cases, the University will share the parties’ information and details of the allegation only with University officials, law enforcement personnel, and other individuals who have a legitimate administrative or legal reason to be so informed. Records will not be disclosed outside the University unless required by law. All individuals with knowledge of an alleged incident of sexual misconduct are expected to safeguard the privacy of those involved and should refrain from discussing the incident with anyone other than appropriate University officials and law enforcement.

Requests for No-University Action
If an individual discloses they have experienced an incident of sexual misconduct to a Responsible Employee, but requests that the University not investigate the particular incident, requests that no disciplinary action be taken, requests that the alleged perpetrator not be notified, or makes any similar request, the University will consider such request(s), and in general work to honor them. The Responsible Employee must still report the information to the designated officials, but also convey the individual’s desired request(s). The University will weigh such request against its obligation to provide a safe, non-discriminatory environment for all students, including the individual who experienced the sexual misconduct. If the University determines that it is able to honor the individual’s request(s), the individual should understand that the University’s ability to meaningfully investigate the incident and/or respond appropriately may be limited.

The University has designated the following individual(s) to evaluate an individual’s request for no or limited action by the University in connection with a report of sexual misconduct: the Title IX and Deputy Title IX Coordinator(s), in consultation with relevant administrators and University legal counsel, where appropriate.

Investigation
Upon receipt of a report of sexual misconduct, the University will respond promptly to investigate and provide interim measures where appropriate. Procedures after a report of sexual misconduct will follow the steps listed below depending on whether the respondent is a student or employee. Employees who are students may be subject to procedures for students or employees, or both, at the sole option of the University. Investigation of the alleged misconduct shall be conducted by the University Title IX Coordinator, or a Deputy Title IX Coordinator. Information for the investigation may be provided by the parties, witnesses identified by any party, or the University. The University may also consider information relating to prior complaints of misconduct known to the University. Information related to prior sexual history of the parties will be prohibited, except in very limited circumstances regarding prior sexual history between the parties where such information may be relevant to the issue of consent. However, consent will not be assumed based solely on evidence of any prior sexual history.
All investigators shall have the appropriate required and ongoing training on conducting sexual misconduct investigations, issues related to sexual misconduct and applicable University policies and procedures.

If the person identified as having engaged in sexual misconduct is not a student or employee of the University, the University shall take all appropriate measures to determine information regarding the individual, what occurred, whether another entity needs to be contacted to join in or assume an investigation (e.g. another institution of higher education), and to provide assistance in notifying the proper law enforcement authorities. The University will also provide interim and remedial measures, to the extent possible, to protect the reporting individual and eliminate any hostile environment. If upon investigation, it is determined that an individual is responsible for sexual misconduct and has a continuing relationship with the University, the University shall consider appropriate sanctions to prevent further harm and eliminate the hostile environment. In addition, the University reserves the right to investigate circumstances that may involve sexual misconduct in situations where no complaint, formal or informal, has been filed.

6. **Interim and Remedial Measures**
Procedures for incidents involving students and employees will include providing appropriate and necessary interim measures pending the result of an investigation and remedial measures that will be long-term and continuous. Both interim and remedial measures are available to an individual who has experienced sexual misconduct, regardless of whether they move forward with their complaint. Interim and remedial measures may vary depending on the individual, the individual’s needs and the specific circumstances. These measures could include no contact orders; assistance in changing academic, living, transportation, and/or work situations; counseling services; victim advocacy services; and assistance in obtaining protective orders. Interim measures may also include suspension of the respondent pending completion of the investigation.

7. **Summary of Rights of the Complainant and Respondent in Sexual Misconduct Procedures**
The rights of the parties to a sexual misconduct proceeding include:

1. To be fully informed of University policies and procedures as well as the nature and extent of all alleged violations contained within the allegation.
2. To be treated with respect by University officials.
3. To have an advisor present during a University sexual misconduct proceeding, investigation meeting, or related meeting. The role of the advisor will be limited to being present only; they will not be allowed to speak during any University sexual misconduct proceeding, investigation meeting, or related meeting. If the advisor is an attorney, the attorney must notify the Vice President and General Counsel prior to being present at a University sexual misconduct proceeding. Attorneys may serve as an advisor but shall, like all such advisors, remain silent during such proceedings.
4. Adequate, reliable, and impartial investigation and appropriate resolution of all reports of sexual misconduct.
5. To be informed by the University of the option to notify proper law enforcement authorities including OCPD and local police, and the option to be assisted by campus authorities in notifying proper law enforcement, if the individual chooses.
To be notified of available counseling, mental health, academic, legal and other support services, both at the University and in the community.

To have allegations investigated by individuals who are properly trained to investigate and resolve allegations of sexual misconduct.

Equitable participation in the investigation and disciplinary process, including the opportunity to identify witnesses and other appropriate evidence.

To the use of the preponderance of the evidence standard (more likely than not) in determining responsibility.

The right to appeal as set forth in these procedures.

8. **Procedures for Responding to Incidents Involving Allegations of Sexual Misconduct by or against Students**

The University will promptly respond to all reports of sexual misconduct alleged against a University student following the procedures outlined in this policy. Allegations of sexual misconduct by students will be addressed by the Sexual Misconduct Policy and the Student Code of Conduct (“Student Handbook”). Students may be charged according to specific code violations under the Student Handbook, which will reference the Sexual Misconduct Policy.

Any individual reporting they have been a victim of sexual violence will be informed of how to, and provided assistance in, making a criminal complaint with the appropriate law enforcement agency. The pursuit of criminal charges may be in addition to, or instead of, pursuing cases through the University process.

Throughout the process, the parties will have equal opportunities to present information, have advisors present, and pursue an appeal, if applicable. The University will have as a priority, the interests of all parties involved, in regard to fairness, dignity, privacy, and due process.

The investigation and determination of responsibility will generally be concluded within 60 days of the report, absent special circumstances.

1. **Investigation**: Upon receipt of a report of sexual misconduct by a victim/survivor (hereinafter referred to as “complainant”) or third party, the University will take immediate and appropriate steps to investigate the incident. If the complainant requests confidentiality or asks that the complaint not be pursued, the University will take all reasonable steps to investigate and respond to the complaint consistent with those requests, keeping in mind that the University must weigh such requests against its obligation to provide a safe, non-discriminatory environment for all students, including the complainant.

   a. If sexual misconduct proceedings are initiated, the parties will be notified, and the student alleged to have engaged in sexual misconduct (hereafter referred to as "respondent") will be provided a date by which an appointment must be made to discuss the matter. At such time, the respondent shall be informed of the allegations made against them and shall be provided the opportunity to respond.

   b. The investigation may include, but is not limited to, interviews with the complainant, the respondent, and other witnesses identified as having information relevant to the allegations made, as well as the examination of written statements by the parties, relevant documents, and other relevant
information. Information for the investigation may be provided by complainants, respondents, witnesses identified by any party, or the University. Any person believed to have information relevant to an investigation may be contacted and requested to make an appointment to discuss the matter.

c. Failure to comply with a request to make and/or keep an appointment relevant to an investigation may result in a disciplinary hold being placed on a student’s account and/or the initiation of charges for student conduct failure to comply.

d. All members of the University are expected to cooperate with the investigative process. Failure to do so may result in disciplinary measures pursuant to applicable University policy and procedure.

e. Upon completion of the investigation, the University will provide notice of all relevant charges and notice of next steps of the sexual misconduct process.

(2) Alternative Resolution Options:

a. In appropriate cases, the University may pursue alternative resolution with the consent of all parties at any point in the investigation process. Alternative resolution options may include, but are not limited to, mediation, development action plans, voluntary resolutions, and/or appropriate sanctions.

b. Under any alternative resolution, the complainant will not be required to resolve the problem directly with the respondent, unless desired by the complainant. All parties must be notified of the right to end the alternative resolution process at any time, and begin the formal process. Mediation may not be used in cases involving sexual violence. The Investigator shall document the outcome of any alternative resolution and share with the parties.

(3) Acceptance of Responsibility Option:

a. In cases where facts are generally not in dispute, and the respondent expresses a willingness to accept responsibility for all charges in a case, with the consent of the complainant, the respondent will be offered the opportunity to waive the right to a formal hearing and all related procedural guarantees, and agree to receive a sanction from a designated official by whom charges were brought or by the Sexual Misconduct Hearing panel. In such situations, the parties will each be provided the opportunity to submit a written statement to the designated official or hearing panel for consideration in determining appropriate sanctions.

b. The designated official or hearing panel shall consider only the parties’ written statements regarding sanctions, the relevant facts from the investigation, and past conduct history of the respondent (if applicable). In such cases, the right to appeal will be limited to an appeal on the grounds that the sanction is grossly disproportionate to the violation(s) committed, in light of all relevant aggravating and mitigating factors, and in consideration of applicable University guidelines. The parties may end this process, and seek full hearing, at any point prior to issuance of the sanction.

(4) Sexual Misconduct Hearing: The respondent is required to attend the sexual misconduct hearing. The complainant has an equal right to attend the sexual misconduct hearing and participate to the same extent as the respondent, if he or she chooses. If either respondent or complainant is unavailable to participate in person based on significant travel or schedule restrictions, participation by other
means may be made available.

a. **Sexual Misconduct Hearing**
   i. A hearing panel will be assembled for the sexual misconduct hearing. The hearing panel will be composed of three staff or faculty members of the University. Hearing panel members will be drawn from the pool of staff and faculty members who have completed the University’s required annual training on issues related to sexual misconduct and University policies and procedures. At a minimum, at least one panel member shall be a student affairs officer.
   
   ii. The sexual misconduct hearing is closed. However, the complainant and respondent may each select one advisor of his/her choice and expense to accompany him/her at any point in the disciplinary process. Advisors are limited to an advisory role and may not participate or speak. Both parties will be afforded similar and timely access to view any information that will be used at the hearing.

b. **Procedures for a Sexual Misconduct Hearing**
   i. The Chair of the panel shall review the Charge(s) made against the respondent and the specific facts alleged. The respondent may, but need not, respond to allegations.

   ii. Both the complainant and the respondent will have equal opportunity to present oral and/or written evidence. The respondent may, but need not, respond to the allegations and evidence. Generally, the complainant and respondent shall not be in the hearing at the same time, unless each agrees in writing.

   iii. No one other than the hearing panel members, the complainant, and the respondent may pose questions during the hearing. The complainant and respondent may not directly question each other, but may submit questions to the Chair, to be asked of the other party. The Chair or other panel members will review questions prior to posing to the other party to prevent questioning that is not permitted under these proceedings.

   iv. If the respondent fails to appear at the sexual misconduct hearing, the hearing may proceed without his or her participation. The respondent may explain the failure to appear in writing to the University within two business days of the scheduled hearing. Written documentation supporting the cause of absence must be included. Within three business days after receiving the respondent's letter, the University will notify the respondent and the complainant whether the failure to appear was excused, and if so the hearing may be rescheduled. The failure to appear will only be excused due to extraordinary circumstances.

   v. If the respondent failed to appear and such failure was not excused, the respondent's right to appeal the finding and any sanction(s) imposed will be automatically forfeited, and the outcome reached in absentia will go into effect.

c. **Decision & Sanctions**
   i. At the conclusion of a hearing, the panel shall deliberate without the parties present to determine responsibility based on the evidence, and sanctions if applicable.

   ii. If, after deliberations the hearing panel determines that the information available in the sexual misconduct hearing does not support by a preponderance of the evidence (more likely than not) that the respondent is responsible for a violation of the Sexual Misconduct Policy, the
hearing panel will notify both the respondent and the complainant by means of a written notice. The complainant and/or respondent may request an appeal.

iii. If, after deliberations, the hearing panel determines that the information available in the sexual misconduct hearing does support by a preponderance of the evidence (more likely than not) that the respondent is responsible for a violation of the Sexual Misconduct Policy, the hearing panel will notify both the respondent and the complainant and will assign appropriate sanctions by means of a written notice. The respondent and/or the complainant may request an appeal.

iv. Possible sanctions for cases in which students are found in violation of the Student Handbook for acts of sexual misconduct include, but are not limited to formal warnings, required behavioral assessment and/or counseling, required educational training, disciplinary probation, suspension, and/or permanent expulsion.

(5) **Appeal:** The respondent or the complainant may appeal the decision of the sexual misconduct hearing panel to a panel consisting of the Executive vice President, Vice President for Academic Affairs, and the Vice President and Dean of Students. To initiate an appeal, the respondent or complainant must send written notice of appeal to the designated official. The written notice must include the basis for seeking the appeal and include information to support such basis (See Section 5b.)

a. **Timing:** The notice of appeal must be filed no later than five (5) calendar days after the date the written decision of the sexual misconduct hearing panel is sent. If no written request for an appeal is received by the University within the time specified, the request for an appeal will not be reviewed, any sanction(s) proposed by the hearing panel will be imposed, and the action will be final.

b. **Basis for Appeal:** The Vice President and Dean of Students will have the sole discretion in determining whether the basis for appeal has been met and whether the appeal can move forward. An appeal must be based on one of the following criteria:

   i. Significant procedural error that reasonably would have affected the outcome of the student’s case.
   
   ii. The sanction imposed is grossly disproportionate to the violation(s) committed, in light of all relevant aggravating and mitigating factors, and in consideration of applicable University guidelines.

   c. **Decision and Sanction:** If the basis for appeal has been met, the Vice President and Dean of Students will review the written appeal and the pertinent part of the sexual misconduct hearing panel record only. The Vice President and Dean of Students will not consider new evidence or information that is not a part of that record. The Vice President and Dean of Students must render a decision within ten (10) calendar days of receipt of the appeal and may take any of the following actions:
   
   i. Affirm the original decision regarding responsibility.
   
   ii. Affirm the original decision concerning the disciplinary sanction/s to be imposed.
   
   iii. Set aside the original decision regarding responsibility and impose a new decision.
   
   iv. Set aside the original decision regarding responsibility and order that a new sexual misconduct hearing be held before a new hearing panel.
v. Set aside the original decision concerning the disciplinary sanction/s to be imposed and impose a different sanction or set of sanctions.

d. The Vice President and Dean of Students or his/her designee is required to notify the respondent and the complainant, in writing, of his/her decision and will initiate the necessary procedures to effectuate the decision.

e. The decision of the Vice President and Dean of Students or his/her designee is final and there will be no further appeals.

(6) **Notice:** To the extent possible, the complainant and the respondent will be provided notice of the outcome of the sexual misconduct hearing, in person, with an accompanying written notice provided. In addition, the parties shall be provided, to the extent possible, simultaneous written notice of the outcome of the sexual misconduct hearing, the appeals process, and the appeal decision, if applicable. Written notice may be provided electronically through Oklahoma Christian University email accounts. In the event the appeal decision changes the results of the outcome of the sexual misconduct hearing, notice of such change shall be provided before those results are final, and include an explanation of when those results will become final.

**NOTE:** Just as students with disabilities may be eligible for accommodations in their classes, accommodations may be available for these procedures as well. Students with disabilities requesting accommodations and services under these procedures will need to present a current accommodation verification letter from the disability services office before accommodations can be considered and provided.

9. **Definitions**

For purposes of addressing complaints of sexual misconduct against or by University students and employees, the following uniform definitions shall be used by the University:

**Advisor** - means any person, who may assist, support, guide and advise the respondent or complainant during the investigation, conduct proceedings, and/or related meetings. Advisors are not permitted to actively participate or speak during the investigation, proceedings and related meetings. In certain circumstances where a party may be unable to speak on their own behalf, an advisor may present a statement prepared by the party. An attorney may be used as an advisor but must provide notice to the Vice President and General Counsel prior to being present as an advisor, regardless of whether the attorney is representing the party or is present in some other capacity.

**Bodily injury** - shall mean physical pain, illness, or any impairment of physical condition.

**Campus security authority (CSA)** - a term used in the Clery Act to describe someone who has significant responsibility for student and campus activities. The Clery Act (34 CFR 668.46) defines a CSA as:

1. A campus police department or a campus security department of an institution.

(4) An official of an institution who has significant responsibility for student and campus activities, including, but not limited to, student housing, student discipline, and campus judicial proceedings.

**Clery Act** – refers to The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, (20 U.S.C. §1092(f)), a federal law that requires institutions such as Oklahoma Christian University to collect and publish statistics for certain crimes reported to have occurred on OC’s “Clery Geography” (i.e., occurring on campus, on public property within or immediately adjacent to campus, and on other noncampus OC property), for the purpose of informing current and prospective students and employees. Oklahoma Christian publishes an Annual Security Report under the Clery Act, which contains these crime statistics as well as campus specific information on resources, campus emergency responses, safety and security policies, and disciplinary procedures. These crime statistics include, but are not limited to, domestic violence, dating violence, sexual assault, and stalking. Clery also requires “timely warnings” be issued to the campus community for crimes occurring on Clery Geography that are considered a serious or continuing threat to students or employees. Under Clery, any good-faith report of a crime occurring on Clery Geography must be included in the statistical data.

**Complainant** - refers to a member of the University community who brings a complaint of sexual misconduct under this policy.

**Confidential Employees** - certain University employees – based on their own professional licensure and the nature of their role on campus – are available to speak with individuals about incidents of sexual misconduct and maintain the individual’s desire for anonymity and absolute confidentiality. These confidential employees are exempt from the reporting requirements that apply to responsible employees. Individuals who desire anonymity in seeking assistance about sexual misconduct should be referred to a confidential employee.

The University’s confidential employees include:

(1) Licensed, professional mental health counselors working in that capacity, and those they supervise;
(2) Health care professionals and staff located in an on-campus health care center; and
(3) Oklahoma Christian University’s Campus Minister.

(4) Consent cannot be assumed based on silence, the absence of “no” or “stop”, the existence of a prior or current relationship, or prior sexual activity.

**Dating violence** - violence committed by any person who is or has been in a relationship of a romantic or intimate nature. The existence of such a relationship will be determined based on a consideration of the length of the relationship, the type of relationship, and the frequency of interactions between the persons involved in the relationship. (See 42 U.S.C. 13925(a))

**Domestic violence** - includes conduct that is an element of an offense under either 21 Okla. Stat §§641-642, occurring in the context of a domestic relationship as further described herein. Domestic Violence occurs under this policy if the conduct is an element of assault or battery and perpetrated by one party against another party who:

2. is or was living as if a spouse of;
3. has a child in common with;

Interim and Remedial Measures - procedures for incidents involving students and employees will include providing appropriate and necessary interim measures pending the result of an investigation and remedial measures that will be long-term and continuous. Both interim and remedial measures are available to an individual who has experienced sexual misconduct, regardless of whether they move forward with their complaint. Interim and remedial measures may vary depending on the individual’s needs and the specific circumstances surrounding the complaint. These measures could include no contact orders, assistance in changing academic, living, transportation, and/or work situations; counseling services; victim advocacy services; and assistance in obtaining protective orders. Interim measures may also include suspension of the respondent pending completion of the investigation.

Investigator - a University official authorized to investigate reports of sexual misconduct under the procedures outlined in this policy. Typically the investigator is a trained Title IX Deputy Coordinator or the Title IX Coordinator.

Written notice may be provided electronically through Oklahoma Christian University email accounts.

Respondent - is any member of the University community alleged to have engaged in sexual misconduct as defined in this policy.

Responsible Employee - Pursuant to Title IX, a “Responsible Employee” includes those University employees who have the authority to redress sexual misconduct, who have the duty to report incidents of sexual misconduct, or who a student could reasonably believe has this authority or duty.

The University’s responsible employees include, but are not limited to:

1. All professors and instructors, including full-time professors, adjuncts, lecturers, teaching assistants (TAs), and any others who offer classroom instruction or office hours to students;

**Retaliation** - Protections against retaliation are critical to reducing the prevalence of sexual misconduct within the University community. Retaliation against anyone who has reported an incident of sexual misconduct, provided information, or participated in procedures or an investigation into a report of sexual misconduct, is prohibited by the University and will not be tolerated. Acts of retaliation include intimidation, threats, and/or harassment, whether physical or communicated verbally or via written communication (including the use of e-mail, texts and social media), as well as adverse changes in work or academic environments or other adverse actions or threats. The University will take steps to prevent retaliation, and will impose sanctions on anyone or any group who is found to have engaged in retaliation in violation of this policy. **Sexual harassment** - Sexual harassment is unwelcome conduct or behavior of a sexual nature. Sexual harassment includes sexual violence. Both violent and non-violent sexual harassment is prohibited. Sexual harassment can include unwelcome sexual advances, requests for sexual favors and other verbal, nonverbal, written, electronic (e.g. by e-mail, text, social media, etc.), or physical conduct of a sexual nature. Sexual harassment occurs when:

part-time, pursuing undergraduate, graduate, or professional studies, whether or not they

J. Substance Abuse

To protect the safety and well-being of our students, the University takes a very strong stand against the possession, use or distribution of alcohol and illegal drugs. This also includes the improper use and distribution of prescription drugs. Due to the addictive nature of these substances and the often-tragic consequences of their use, OC has adopted a no tolerance policy towards alcohol, marijuana, and the misuse of prescription drugs, and illegal drugs. The possession, use or distribution (both on campus and off campus) of these substances or related paraphernalia is punishable by suspension. OC will cooperate with local, state or federal law officers in investigations of the illegal possession, use or distribution of these substances.

- If a Resident Director, Director of Residence Life, or Dean of Students reasonably believes that a student has been using alcohol he or she can request the student to take an alcohol breath test.

- If it is determined that it is reasonably likely that a student has used illegal drugs, the student is required to participate in drug testing off campus.

- Students are responsible for paying for drug tests if the test results are positive.

- Tampered specimens are automatically considered a positive test with the student also held accountable for attempting to deceive the University. Refusal to submit to testing for alcohol or drug use is grounds for suspension.

- A student who is honest about alcohol or drug possession, use or distribution may potentially be eligible to remain at OC if the Dean of Students determines the student is performing satisfactorily socially and academically and is not likely to repeat a drug or alcohol infraction.

- In lieu of suspension, the following is required: a 10-week disciplinary probation, an alcohol/drug screening assessment to be completed within 5 days of the determination that a violation has occurred and a 6 session counseling program.
- The student assumes all costs for the alcohol education and substance abuse screening.
- This option of being able to remain at the University is granted only once during a student’s career. A second alcohol or drug offense will result in suspension.
- A student with an alcohol or drug violation may be subject to random alcohol or drug tests during the probationary period with testing costs assumed by the student.
- Failure to meet these or any other requirements set by appropriate university officials are grounds for suspension.

NOTE: Counseling services are available at the Wellness Center for substance abuse and addiction. A student may voluntarily seek assistance from the Wellness Center without being referred for disciplinary action. Our 1st concern is for the well-being of students and getting help if desired.

1. **Tobacco**
   Tobacco is a proven addictive health hazard. It is also the cause of many custodial problems in facilities. The use or possession of tobacco in any form is prohibited on campus.

2. **E-Cigarettes and Other Vapor Smoking Devices**
   These devices have the look and feel of real cigarettes and even emit smoke. They do not promote a healthy lifestyle, therefore their use or possession is prohibited on campus.

- **The Fresh Market Sandwich Line** is much like the Salad and Wrap line except each day will have a specialty sandwich made to order, like Turkey Club on Croissant or Turkey Avocado on Kaiser Bun.
• The Dessert Bar has freshly baked desserts, cookies, cakes, cheesecake, ice cream and ICEE’s.
• The Pizza/Pasta Bar, at which students may watch their items being cooked, is available during lunch and dinner as well as throughout the afternoon.
• The Deli Bar features a variety of fresh sliced meats, cheeses and breads. Panini’s are here too now!
• The Salad Bar contains 35 feet of fresh items daily, plus baked potato bar, nachos, chili and cheese!

Lending an ID to another student to purchase a meal will result in disciplinary action. The board portion of the student's bill is based on the assumption that only the student to whom a card is issued will use that card for meals. Although on all meal plans, students may use their cards to bring guests in to eat with them as long as the card holder is present. All food must be consumed while in the Caf. Drinks, a piece of fruit, ICEE’s and Ice cream may be taken out, but meals cannot be taken out.

When glasses, bowls and silverware are taken from the cafeteria by students, U-Dining must make unbudgeted purchases, the cost of which must be passed on to the students. So please leave those items in the Caf so that they don’t have to spend extra money that will in the long run cost you the customer.

1. Eagle Bucks System
   • Eagle Bucks are like cash, and they are put on the student's ID card.
   • Eagle Bucks can be used in the SNACK BAR, main dining room, Jimmy Johns Sandwich Shop (on Benson Road), Chic Fil A (on 33rd in Edmond), Alfredo’s Mexican Cafè (33rd & Broadway), On Cue (Memorial and Boulevard), Sonic (on Memorial), Pita Pit (33rd & Broadway) and the Campus Bookstore (for food and drink items) just like cash. Another benefit is that students do not have to carry cash since Eagle Bucks are added to their ID cards.
   • Eagle Bucks can be purchased anytime throughout the year at the U-Dining office located in the University Center by the entrance to the main dining room and/or on MyOC anytime during the semester.

D. **FERPA - Privacy Rights of Parents and Students: Public Law 93-380**

OC complies with the Family Educational Rights and Privacy Act of 1974 (FERPA), a Federal law designed to protect the privacy of a student's educational records. The law applies to all schools which receive funds under any program of the U.S. Department of Education. Students can request a complete copy of FERPA regulations from the Office of Student Life. FERPA affords students (former and current students) certain rights with respect to their “educational records”.

1. **Inspect Records**
   Students have the right to inspect and review all school maintained educational records within 45 days of the University’s receiving such request. All student records are kept in the Office of the Registrar, except financial records (kept in the Business Office) and student conduct records (kept in the Office of Student Life). The student should submit to the Registrar, Dean of Students, Controller, or other appropriate university official a written request that identifies the requested record(s). If the university official who received the request does not maintain the record(s), that official shall advise the student of the correct office. The university official will make arrangements for access and notify the student of the time and place where the records may be inspected. The University is not required to provide copies of materials in educational records unless it is impractical or impossible for the student to inspect the record(s). The University shall charge a fee for copies which shall be $0.10 per copy.

2. **Corrections**
   Students have the right to request that the University correct records believed to be inaccurate or misleading. The student should write the university official responsible for the record, clearly identify the part of the record he or she wants changed, and specify why it is inaccurate or misleading. If the University decides not to amend the record, the student is notified and advised of the right to a hearing regarding the request for amendment. After the hearing, if the University still decides not to amend the record, the student has the right to place a statement with the record commenting on the contested information in the record.

3. **Releasing Information**
   The University must have written permission from a student before releasing any information from the student's record. However, FERPA allows the University to
disclose records, without consent, to the following parties: (NOTE: This is not an exhaustive list.)

- University officials with legitimate educational interest
- Parents of students claimed as IRS dependents, upon proof of such status,
- Other schools to which a student is transferring
- Certain government officials in order to carry out lawful functions
- Appropriate parties in connection with financial aid to a student
- Organizations conducting certain studies, or providing services, for the University
- Specified officials for audit or evaluation purposes
- Accrediting organizations
- Individuals who have obtained court orders or judge signed subpoenas
- A parent or legal guardian regarding a student's violation of any law or institutional rule or policy concerning alcohol or drugs if the student is under 21 years old and the institution determines that the student has committed a disciplinary violation
- Persons who need to know in cases of health and safety emergencies
- State and local authorities, within a juvenile justice system, pursuant to specific state law

OC considers a school official a person employed by the University in an administrative, supervisory, academic, research or support staff position (including law enforcement unit personnel and health staff), a person or company with whom the University has contracted (such as an attorney, auditor, collection agent or other service provider), a person serving on the Board of Trustees or a student serving on an official committee such as a disciplinary committee or assisting another University official in performing his or her tasks.

Directory information is normally released without student consent. If a student does not wish such information to be made public, he or she can fill out a request form available in the Office of Student Life during the 1st 2 weeks of classes. Directory information is defined as: "information that would not generally be considered harmful or an invasion of privacy if disclosed," including, but not limited to, "the student's name; address; telephone listing; electronic mail address; photograph; date and place of birth; major field of study; grade level; enrollment status (e.g., undergraduate or graduate, full-time or part-time); dates of attendance; participation in officially recognized activities and sports; weight and height of members of athletic teams; degrees, honors and awards received; and the most recent educational agency or institution attended."

4. **Filing a Complaint**

Students have the right to file a complaint with the U.S. Department of Education concerning alleged failures by OC to comply with the requirements of FERPA.

G. Identification Card

The Oklahoma Christian University identification card identifies you as a current member of the OC community. This ID card can be used as an electronic door key and provides access to a variety of functions and facilities on campus-including chapel, dining facilities, athletic events, fitness centers, laundry, the library and more.

The ID card is the property of the University, should be carried at all times while on campus, and is non-transferable. It may be used for such purposes as the University designates and may be revoked at any time. This card must be presented and/or surrendered upon request by any University official; failure to do so, or lending this card to anyone, is considered misuse. The card is void upon termination or interruption of enrollment and/or employment and must be surrendered at that time.

This ID card serves as a key to many facilities and therefore the card and the associated Personal Identification Number (PIN) should be kept secure and not shared with others for any reason.

Lost and stolen cards must be reported promptly to the Office of Information Technology. This will help prevent unauthorized access to facilities and other cardholder services. There is no charge for replacement ID cards that become defective or fail to work. Lost cards can be replaced at a cost of $10.00.

No person shall possess more than one Oklahoma Christian University ID card. For security reasons, once a replacement card has been issued an older version card cannot be used or re-activated for any reason. Once replaced, if the old card is found it should be destroyed.

Card access questions can be referred to Support Central.

L. Motion Picture Policy, On-Campus

1. Purpose
   This policy defines the scope within which University students, employees, and outside organizations may display motion pictures, which are protected by copyrights (“protected motion picture”), on campus property.

2. Policy
   It is a violation of University policy for any employee, student, campus organization, or off-campus organization, to publicly display a protected motion picture, on the Oklahoma Christian University campus, unless such public display is protected by law (e.g. instructional use, fair use, etc.), without first obtaining a license or written permission from the owner of the copyright thereof.

3. Scope and Definitions
   **Limited to Non-Instructional On-Campus Display of Motion Pictures.** Federal law protects the interests of those who create motion pictures. (See Federal Copyright Act, 17 USC §101 et. seq.) Notwithstanding, Federal Law also provides certain limited exceptions allowing for the public display of a protected motion picture. This policy applies to all non-instructional projections or displays of motion pictures that are protected by copyright, if the motion picture is shown outside of a residential setting.

   - **Protected Motion Picture:** For purposes of this policy, the term protected motion picture shall include documentaries, simulcast or pre-recorded sporting events, simulcast or pre-recorded television shows, motion pictures, and other public displays of any moving pictures which are subject to copyright protections.

   - **Fair Use:** For purposes of this policy the term “fair-use” is defined as the non-instructional public display of a portion of a protected motion picture, which is the lesser of ten percent (10%) of the entire work, or three (3) minutes. Non-instructional public display of a portion of a protected motion picture which exceeds the policy definition of “fair-use” shall be subject to the approval procedures of this policy.

   - **Instructional Exclusion:** Please consult the Vice President for Academic Affairs for additional information on the display of protected motion pictures for an instructional purpose.
- **Residential Setting:** A residential setting is the place in which the licensee resides. The license to display a rented motion picture extends to the showing of the motion picture in the residence of the licensee. A student who rents a motion picture from an entity in the business of renting movies for profit (Blockbuster, Netflix, Redbox, etc.) has obtained a license for residential display of the rented movie. Residential display is therefore exempt from this policy. However, display of the rented movie outside of the licensee’s residence shall require compliance with the approval procedures of this policy.

**Responsible Administrator:** This policy shall be enforced as a matter of University risk management and shall be enforced by all administration, faculty, and staff. The Responsible Administrator of policy enforcement and implementation is the Director of Campus Events.

4. **Approval Procedures**
The following procedures must be followed prior to the non-instructional display of a protected motion picture on Oklahoma Christian University property, outside of a residential setting.

1. A minimum of two weeks prior to the public display of any complete protected motion picture the Activity Sponsor must contact the Responsible Administrator and complete the OC Motion Picture Checklist.

2. Prior to the display of the motion picture the Activity Sponsor must provide proof to the Responsible Administrator that the motion picture to be displayed is licensed for public display. The license issued by the licensing company shall be sufficient proof.

3. The Responsible Administrator must sign the checklist and authorize the display before OC equipment or facilities may be used to display the motion picture on OC property.

4. The Responsible Administrator shall maintain a file of all completed OC Motion Picture Checklists, as well as copies of the license provided by the Activity Sponsor.

5. The Responsible Administrator may implement other necessary procedures.

5. **Resources**

M. Public Expression Policy

Interpretive Notes:
(a) These policies and guidelines refer to non-educational activities on University property and not to the conduct of academic or co-curricular activities that are governed by their own policies and standards. These policies do not refer to other officially approved University events that must follow established University event protocols.
(b) These policies and procedures are in addition to and supplement the Public Speakers, Programs, and Events policies in the Employee Policy Manual. In the event of a conflict between those policies and this policy, the stricter policy shall be followed.
(c) These policies and procedures apply to off-campus activities sponsored by the University or a University department or organization. The term 'on-campus' shall be interpreted broadly to include such activities.

1. Definition of public expression

Freedom of inquiry is encouraged at Oklahoma Christian University. However, in order to ensure an atmosphere in which open communication can occur without disrupting the academic mission or the daily functions of the University, this policy shall govern all forms of public expression activity on Oklahoma Christian University property, defined for this purpose as including activities such as, but not limited to: campus meetings and forums; public assembly and demonstrations; public speeches; and the distribution and/or posting of written materials or other forms of communication carried out in connection with these activities. As a private, nonprofit organization, Oklahoma Christian University enjoys certain rights regarding free speech and the University vigorously supports and defends those rights.
2. **Definition of members of the on-campus college community**
For the purpose of this policy, “members of the on-campus college community” are defined as currently enrolled students, current trustees and currently employed members of the faculty, administration, and staff.

3. **Definition of visitors**
Individuals who do not belong to any of the above identified groups are considered campus visitors. Except for visitors invited by a specific faculty member to speak in a specific academic class or activity, visitors who wish to speak on campus must be invited and approved by a vice presidential level administrator.

4. **Public expression by members of the on-campus college community**
Oklahoma Christian University encourages dialogue and opposing points of view and affords all members of the on-campus university community – students, faculty and staff -- with substantial privileges with respect to freedom of public expression. This privilege, however, is subject to reasonable restrictions of time, place and manner so that the activities do not intrude upon or interfere with the academic mission and daily functions of the University, or with other rights of members of the on-campus college community as defined by University policies. Additionally, certain forms of speech that promote lawlessness, endanger others, are inflammatory, pornographic, or profane will not be allowed.

5. **Procedures for public expression activities by members of the on-campus University community**
   a) Students must apply to the Office of the Dean of Student Life at least two business days prior to their requested date of activity. Employees must apply to the Executive Director for Human Resources within that same time frame. Greater advance notice of the request is helpful.
   b) The Dean of Student Life or Executive Director for Human Resources has one business day in which to (a) act on a request and communicate a decision to the person or organization making the request, or (b) request additional information necessary to make an informed decision, and then to act and communicate a decision after receiving such information. Decisions will take into account both any special circumstances that may relate to University activities and/or the burden the requested activity may place on the University’s safety and administrative staffs. Any special conditions that attach to the requested activity must be stated in writing.
   c) Public expression activities are authorized to occur only at one or more of the following locations, if available, as assigned by the Dean of Student Life or the Director of Human Resources, in concert with the Director of Campus Events:

   - Student Center patio or in a designated inside common area
   - Lawson Commons
   - Brick courtyard area outside of Williams – Branch Center for Biblical Studies
- The University may assign an indoor facility depending on need, weather or other factors.

d) The number of occasions on which specific individuals or groups will be permitted to engage in public expression activities will be limited to three times during a calendar year.

e) The total number of people engaging in public expression activities at any one location on campus may be limited by the Executive Vice President, his designee, or by any University vice president.

f) Any signs, placards or banners that are displayed must not be inflammatory to a reasonable person, may not use profanity or other defaming language, and in general must be in the spirit and meet the standards related to the treatment of others as described in the OC Covenant.

g) Microphones, bullhorns, or other amplification devices may only be used if suitable for the area and time.

h) No sidewalks, building ingress and egress, campus traffic or parking or athletic facilities may be blocked, nor may normal University operations be impeded.

i) Physical or verbal harassment of members of the University community, or public expression activities in violation of this policy or outside of the hours or locations for which permission has been granted, will be cause for the immediate revocation of privilege for those involved. Any act of disorderly conduct will result in intervention by authorized campus personnel.

j) The time frames for notice and response may be waived by the University in cases of emergency, but such waivers shall be in the sole discretion of the Executive Vice President.

6. Limited Rights for Campus Visitors
Campus visitors do not share the same privilege as members of the on-campus University community to participate in public expression activities on Oklahoma Christian University property.

a) Specifically, campus visitors are not permitted to be involved in public expression on University property except as invited participants at official, approved University events, or at events approved by a senior official of the University, and in a manner consistent with the intent of the event as approved by officials of the University. Furthermore, visitors’ presence on campus is not only contingent upon their compliance with standards maintained by the University, and as such, visitors may be asked to leave the campus at any time by an authorized official of the University. Visitors wishing to engage in public expression on the campus must submit to the Executive Vice President’s office a detailed, accurate, and complete written request of the nature, purposes, and content of the proposed public expression a minimum of five (5) working days in advance of the event, the approval of which must be in writing and shall be in the sole discretion of the University. The University shall have two (2) business days in which to (a) act on a request and communicate a decision to the person or
organization making the request, or (b) request additional information necessary to make an informed decision, and then to act and communicate a decision after receiving such information.

b) Visitors may not engage in activities which hinder or obstruct approved public expression or affect the University’s ability to provide a quiet, contemplative educational environment for its members. Any approved public expression by campus visitors must at a minimum meet the standards and limitations set forth above in paragraphs 4 and 5, as well as the “OC Covenant” and other campus regulations. Visitors acting in violation of this policy and/or the related guidelines or failing to accept the directions of authorized University authorities will be required to leave campus and may be referred to the local public authorities in the event of violations of applicable laws. Any police arrests and criminal charges are separate from judicial actions at Oklahoma Christian University.

N. Public Speakers, Programs, & Events

1. Purpose
As an academic institution committed to excellence and interested in both nurturing and challenging our students, faculty, staff, and visitors toward greater spiritual maturity, Oklahoma Christian University welcomes speakers, programs and events from across wide social, cultural, religious, and political spectra. In the spirit of a Christ-centered intellectual venue, the University seeks to offer events that inspire, inform, question, challenge, and transform audiences. Though the University’s facilities are used by both on- and off-campus groups, this usage does not constitute an endorsement by the University of every speaker, program, or event on the campus.

All public programs and events, whether sponsored by the University or by others who have permission to use University facilities, must be conducted in a way that reflects the University’s fervent desire to be a faithful, positive, and Christ-like witness to those about us and our community at large. We recognize that some speakers, programs and events, widely acclaimed and recognized as outstanding by a wider academic and professional community, may be unsuited for public performance or display at the University when they overtly contradict our stated Christian mission or reflect a non-Christian worldview.

This Policy contains three categories of guidelines:

A. Guidelines which apply to both University-sponsored events and events sponsored by others who use the University’s services and facilities;
B. Guidelines which apply only to University-sponsored events; and
C. Guidelines which apply only to events sponsored by others who use the University’s services or facilities.
The presentation of ideas, materials, questions, and viewpoints must be done with integrity, exercise of due care in the selection of words and images, Christian charity, decorum, appropriateness, and respect for others and for the nature of this faith-based institution.

2. **Non-Endorsement**

The University does NOT ENDORSE every idea, image, speaker, event and program on the campus. In the interest of community service, fairness, and the search for truth, the University may allow third-party sponsored or departmental-sponsored programs and activities with which it may not agree philosophically, politically, or religiously, but which must be consistent with this Policy and the principles of civil discourse in the University’s Statement of Academic Freedom and Responsibility.

3. **Program content**

The content must not be profane, pornographic, or treasonous; call for violence or the overthrow of governing authority in this nation; unduly inflammatory; or intended to undermine the Christian faith. Content of events must not include character attacks and assassinations, defamation of character, denigration of people or institutions, and other irrational or disrespectful comments – written, oral, or visual. Humor, satire, and storytelling that contain such material must be obvious as humor or intended to make an important point that does not violate the general intentions of this policy. Just because there is an academic purpose for a discussion or display does not alone mean it should be discussed or displayed publicly on the campus, particularly where there are more appropriate venues for the study and discussion of those materials. Events which contain elements that are unduly provocative (as described below) must be approved in writing by University officials up to and including the vice president responsible for the sponsoring department, or by the President’s office if there is no sponsoring department. The concepts of controversial or unduly provocative are matters of judgment on which reasonable people might disagree. The judgment to be made by the individual proposing an event or program is not whether he or she considers the matter controversial or unduly provocative, but whether a reasonable person should be aware that other reasonable people might consider a work or activity as controversial or unduly provocative in a Christian university environment. University employees are expected to know when something is unduly provocative when they see it or hear it, and thus to err on the side of safety and follow the requirements of this policy. Where either a third party or a department proposes to invite a speaker who (or conduct a program or event that) is perceived by University constituents to hold, or to represent an organization that holds a public position on a controversial issue, the President’s Advisory Council shall be asked to determine whether having the speaker, program, or event is in the best interests of the University. For reasons previously stated in this policy, just because an event, program, or image is considered controversial or unduly provocative does not mean that it will be prohibited by this policy. The purposes and manner in which it is presented may contribute to learning and understanding consistent with the purposes of the University. The University may provide a form to be used to obtain the signatures of the
approving/disapproving officials in the event a potentially controversial or unduly provocative program is proposed.

4. **Venue**
Programs and events shall take place only in facilities that are appropriate for the program or event in question, as determined by the nature of the activity (e.g., staging requirements, anticipated audience). To reserve a venue, the sponsor must make arrangements with and comply with the requirements of the Events office.

5. **Alcohol, Tobacco and Drugs**
The use or promotion of alcohol, tobacco products and illegal drugs is strictly prohibited on campus.

6. **Dress Code**
All dress or costuming should fall within the campus policy regarding modesty and appropriate dress.

7. **Religious Programs**
If the use is religious, it will not involve alter calls, sacraments, or other religious worship from non-affiliated churches (limited exceptions may be made in the case of disasters or other humanitarian crises.) The University will practice *a cappella* music in all its chapel and other worship assemblies.

8. **Marketing**
All written and oral representations about the use will be clear that the University is not endorsing the program, any ideas espoused, or any candidates, unless endorsement is approved by appropriate senior officials of the University.

9. **Health and Safety**
The University reserves the right to cancel immediately any program or event if it is determined that damage to University facilities is or will likely result, or that activities are or may occur which endanger the health or safety of participants or others.

10. **Impact of Programs**
Programs and events may not interfere with the operation of the University or negatively impact the surrounding community.

11. **Legal Compliance**
All events must be conducted in a manner consistent with existing laws and University policies.

12. **Posters and Signs**
All posters and signs in University facilities or on University property are subject to the University’s policy regarding signage. That policy is available from the Office of Student Life.
13. **Public Address Systems**
No public address or amplifying system may be used outside without the approval of the Vice President of Operations.

14. **Cleanup**
Users are responsible for the cleanliness and order of all open spaces following their use. Users will be billed for cleanup they do not adequately and timely complete themselves.

15. **Political Activity**
The University recognizes that it is generally prohibited from participating in political activity. The University’s services and facilities may not be used in connection with political activity without the prior written approval of the President or the President’s delegate, who will often need sufficient time to consult with the Vice President and General Counsel regarding the permissibility of the proposed services or use of facilities. Failure to follow this policy and to refrain from using campus services or facilities in connection with political activity may compromise the University’s tax-exempt status under federal and/or state law.

16. **Dancing and Dance Programs**
Because there are so many different types of dance (ranging from the purely athletic and artistic to the highly sensual and debauchery), and because it is extremely difficult to monitor and control both costume and behavior in advance of or during the events, the University maintains a general prohibition against dancing and dance programs on campus and at sponsored events. The University does not consider that all such activities are bad, but as a practical matter does not want to be in the role of trying to predetermine whether such activities would or would not be acceptable. Therefore, the University’s services and facilities may not be used in connection with dancing or dance programs, including dance recitals, receptions, banquets, etc., regardless of the age of the participants. Limited exceptions may be allowed for cultural performances, theatrical choreography, etc. done in good taste and not offensive to the general mores of this campus community.

17. **Guidelines Which Apply Only to University-Sponsored Events**

a) *For purposes of this Policy, a University-sponsored event is an event sponsored or organized by:*
   
   (1) A student group recognized by the University’s Office of Student Life; or
   (2) A group established by administration officials, faculty or staff for purposes associated with the University’s mission.
   (3) A group other than those listed above whose specific event has been officially approved for University sponsorship by appropriate senior officials of the University.

b) *Limitations of the Policy*
This Policy specifically addresses only public speakers, programs and events. It does not address issues of speakers, programs or events within the classroom.
setting. Policies and guidance regarding classroom setting are found in the Academic Policy Manual as well as The OC Covenant. Questions and issues regarding ‘academic freedom’ at the University shall be interpreted consistently with the University’s Statement of Academic Freedom and Responsibility. The University embraces deliberate and high standards of academic freedom and responsibility as outlined in its Statement of Academic Freedom and Responsibility. Therefore, subject to the limitations of that Statement and this Policy, it welcomes intellectual and respectful discourse and activities on nearly any subject as we seek to be a place where ideas are examined, challenged, and honed in the honest and humble search for truth. The University does not believe it or its leadership has found or understands all truth or that the University should be a place of indoctrination. Rather, it is affirmed that the truth has nothing to fear from inquiry.

c) Exercise of Judgment
In public programs and events, we will seek to respect the sensitivities of our core constituencies while maintaining the integrity of the work we are presenting or performing. At the same time, the University also recognizes the importance of allowing for diversity of public viewpoints, opposing ideas, and even questionable content when it can be intelligently used as a means of opening doors for conversations that ultimately create a more informed, more intellectual, and more faithful believer.

d) Approval Process
To insure the spirit of these guidelines is met, those who are proposing a program or event on the campus which might be considered controversial or unduly provocative in light of this Policy should (i) exercise sound judgment with respect to the speaker, event or program, (ii) seek to understand the nature of possible objections to a program or event and (iii) obtain approval from the appropriate Vice President before the invitation is extended or public announcements are made. For potentially controversial or unduly provocative events (as described in A.2 above) related to the University’s academic offerings, the written approval of the Department Chair, the appropriate Dean, and the Vice President of Academic Affairs must be obtained before the invitation is extended or public announcements are made. If the potentially sensitive nature of the event is discovered after the invitation is issued and/or the public announcement is made, the Vice President, Dean and/or Department Chair shall be consulted promptly after such discovery so that appropriate steps can be taken, which may include actions up to and including cancellation of the event.
18. Guidelines Which Apply Only to Events Sponsored by Others Who Use University Services or Facilities

a) **Denial of Requests**
   Many of the decisions related to this Policy are judgment calls on which reasonable people might disagree. The University administration reserves the right to exercise its sole and unlimited discretion to deny or limit use or rental when the programs and/or activities are thought to be contrary to this Policy and/or the values of the institution, or when it is thought the potential harm to the University, members of the University community, visitors, or surrounding community may outweigh the good that would come from allowing the program or use.

b) **Adequate Compensation**
   The University is mindful that allowing use of its facilities by individuals or groups for amounts that do not constitute adequate compensation or have a compensatory purpose may be viewed as a special arrangement which results in the increment of net earnings for the benefit of private individuals, or a violation of tax regulations related to political advocacy. Free use of University services or facilities requires the prior written approval of the President or the President’s delegate, who will often need sufficient time to consult with outside counsel regarding the permissibility of the proposed services or use of facilities. Failure to follow this policy and to refrain from allowing campus services or facilities to be used without adequate compensation may compromise the University’s tax-exempt status under federal and/or state law.

c) **Admissions Charges**
   University facilities and services may not be used for personal gain. Charging of admission or collection of money is generally not allowed unless fully disclosed and approved in writing by the University and the University is appropriately compensated.

d) **Access**
   Access to campus roads and parking is subject to posted signs. Parking or driving on grass or sidewalks is not permitted. University grounds and facilities are generally open to the public, except as provided below:

   Access to buildings or facilities is not allowed without authorization if the building or facility is locked or if signs indicate that the building or facility is closed for a specific event.

   Without specific authorization, access is not permitted to:
   - Dorms or apartments;
   - Laboratories;
   - Maintenance, utility and storage areas;
- Institutional food preparation areas;
- Private offices or work rooms;
- Studios, including art, radio and television studios;
- Theater program shops and facilities (e.g., costume shop, scene shop, lighting lofts, prop station, etc.)
- Athletic facilities; or
- Any other area indicating that access is restricted.
- Existing furniture, furnishings, and equipment may not be moved or rearranged without specific authorization from the Director of Events.

e) *Insurance and Indemnification*
Any outside group using the University’s facilities for a program or event must provide proof of at least $1 million in liability insurance and agree in writing to indemnify the University for any liability associated with the group’s program or event. In limited circumstances, the University may accept adequate proof of financial responsibility in lieu of the liability insurance. All injuries, costs, and damages resulting from use of a facility shall be borne by the organization using the facility regardless of the cause or the person causing the injury, cost, or damage.

f) *Marketing*
When University services or facilities are made available to outside individuals or groups, the University’s Marketing Department will be provided with all copy and images of messages that include the name of the University sufficiently in advance of the use so they can be changed if deemed necessary by the University. Unless waived in writing by the President or the President’s delegate, all publicity in connection with the event, program or speaker shall contain the following statement in at least 12 point type and in a visible location:

*“An event of [sponsoring organization], held on the campus of, but not sponsored or endorsed by Oklahoma Christian University.”*

g) *Event Limitations and Priorities*
The University reserves the right to place restrictions on the time, place and manner or conduct of events. Further, the University reserves the right to move or terminate a scheduled event when necessary to meet University priorities. The University will avoid doing this other than where judged by the University administration to be necessary, and the University will provide an alternate venue or time, if possible, and will provide as much notice as possible of the change.

19. **Violation of this Policy**
Despite best intentions and precautions, problems and complaints may occur. It is understood, for example, there may be unanticipated behavior in connection with a public program or event. Issues or concerns regarding compliance with this policy should be resolved at the appropriate level and in the spirit of intellectual discourse and open
dialogue. If a University student, employee, alumnus, or other constituent or an attendee at programs or events hosted by the University has any concerns about whether the program or event complies with this Policy, he or she is encouraged to contact those responsible for hosting the program or event. If the discussion with those responsible for hosting the program or event does not result in a peaceful, respectful and gentle conversation leading to a mutually acceptable solution, then the person having the concern shall follow the procedures outlined in the University’s Conflict Resolution Procedures. (Forms required to be completed for Event Content, Venue Request, and Needs Request can be found on MyOC under University Services / Events or in the Office of Campus Events.)

O.  **Sportsmanship Policy**

Oklahoma Christian University is recognized nationally for good sportsmanship by our student-athletes, coaches and spectators. We expect all associated with OC athletics to represent Christ in all of our actions. Athletes and Coaches are to set the example to cooperate in displaying good sportsmanship toward the participants, coaching and support staff members, and game officials. Oklahoma Christian fans are to support our teams and treat others in a way to show our love for our Creator. Do your part to make Oklahoma Christian athletic events a safe and wholesome event for all in attendance.

P.  **Students with Disabilities**

The purpose of Disability Support Services is to promote and facilitate equal opportunity for students with disabilities. Students with disabilities who wish to access services should contact Disability Support Services, coordinated by Katy Roybal in the Student Success office.

Provision of services includes an intake process during which the existence of a disability and any functional limitations are verified and appropriate strategies and resources are identified. Disability documentation must be provided from an appropriately qualified professional.

Students may register complaints regarding physical, programmatic, or attitudinal barriers they encounter at Oklahoma Christian University using the “Incident Report Form” available in Disability Support Service. Students who wish to contest a decision of Disability Support Services regarding requested accommodations, curricular modifications or a decision of a faculty member to not provide recommended accommodations can initiate a “Request for Review of Provision of Accommodation.” Disability Support Service will advise students and provide the appropriate form upon request.

1.  **Federal Compliance**

- OC does not discriminate on the basis of disability in the recruitment and admission of students, the recruitment and employment of faculty and staff or the operation of any programs and activities as specified by federal, state, or municipal laws and regulations.
2. Service Animals
Occasionally on campus, there will be students, employees, or visitors who use a service animal. For your wellbeing and the protection of the animal, please abide by the requirements below.

a) Requirements for faculty, staff and students
1) Allow a service animal to accompany the partner at all times and everywhere on campus, except where service animals are specifically prohibited. The courts have upheld the rights of service animal owners to take animals into food-service locations.
2) Do not pet a service animal; petting a service animal when the animal is working distracts the animal from required tasks.
3) Do not feed a service animal. The service animal may have specific dietary requirements. Unusual food or food at an unexpected time may cause the animal to become ill.
4) Do not deliberately startle a service animal.
5) Do not separate or attempt to separate a partner/handler from his or her service animal.

Q. Student Government Association
Student Government Association (SGA) is the highest council for organized, formal student expression on campus. Its executive officers and members are elected by the student body to represent student concerns and to sponsor and coordinate educational, social and recreational programs throughout the school year.

- SGA meets each Wednesday at 9:00 p.m. in Harvey Business Center.
- Meetings are open to all students and employees.
- The SGA office is located in the University Center.
- Executive officers post their office hours at the office at the beginning of each semester.

R. Student Organizations
1. Organization Registration
Students who wish to form an organization may seek approval from the Student Life Office. If you wish to begin this process, please contact Elizabeth McElroy in the Student Life Office. The information required may include at minimum a constitution, list of charter members, mission statement, and sponsor(s).
After this step is complete, the Student Life Office will follow up with the organization contact or president with more information. A group will not be officially recognized as an organization for the current school year until it has completed registration.

The mission of social service clubs at OC is to strive to have a positive and meaningful impact upon club members, the entire student body, the faculty and staff at OC, and the greater Oklahoma City community. In addition to each club’s activities, clubs generally also participate in intramural sports, Homecoming, and Spring Sing.

K. See USPS, UPS, FEDEX, and DHL, rules and regulations for additional items NOT acceptable in the mail stream.

7. Postage and Packaging Service Products Available

A. Paying for postage:
   1) Postage can be paid by placing stamps on your mail
   2) Mail is run through the Mailroom postage meter, and paid with the following means:
      a) Pay with cash.
      b) Pay by check with proper ID. $2.00 is the minimum amount.
      c) NOTE: payment cannot be made from your OC account or by credit card.
B. Mailing envelopes, boxes, packaging materials, special mailing service labels, and other supplies are also available to purchase for mailing articles within the United States or internationally.

C. If you are using UPS, FEDEX, or DHL mailing services, you will need to search their website for their types of service available. These mailing companies will provide information and mailing labels for you to use. The Mailroom will assist you when your item is ready to mail.

8. Why am I not getting my mail? Why is it delayed? What can I do?

There are many ways mail may not be getting to you. The OC Mailroom personnel will work with you to eliminate delay of your mail and research why your mail may not be getting to you.

A. A 95% rate of incoming mail to the OC Mailroom has an incorrect address or is missing an address.

1) The following individual or collective reasons may help you figure out why you may not be getting your mail or why it is delayed:
   a) Your name is missing.
   b) Your name is incorrectly spelled.
   c) No 1st name or just initial(s) used (e.g., Mr. Jones, M. Jones, MD Jones). (There may be ten (10) ‘Jones’ students on campus and the Mailroom is NOT authorized to deliver mail by delivery guessing from name to name, as in mail CANNOT be delivered to one student and allow them to open it, and if it is not theirs, deliver to the next ‘Jones’ or assume it is for another student, and so on. It is a Federal offense to open 1st-Class mail that is not yours, which includes the OC Mailroom personnel.)
   d) Nicknames on mail. (Your enrollment name is the only name in the OC list of students. The OC Mailroom cannot determine who to deliver the mail to, especially if there are several students with the same last name when a nickname is used for a 1st name.)
   e) Same or similar name as other students (e.g., Sam Jones or Samuel Jones). If you have the same or similar name as other students, it is imperative your full correct address is on the mail to ensure delivery of the right mail to the right address.

2) Your OC mail box number and/or OC’s mail box number (PO BOX 11000) (the following is the biggest reason you may not get your mail or it is delayed):
   a) Missing your mail box number (that associates to your living quarters) as part of your address.
   b) Wrong mail box number (NOTE: If you change rooms, dorms, or apartments, your mail box number changes. The OC Mailroom will not know you moved and your mail box number changed unless you fill out a change-of-address online at the OC webpage.)
   c) Your mail box number and/or OC’s mail box number is incorrect (both MUST be on the mail).
d) You may have your correct mail box number, but OC’s mail box number is missing and vice versa.
e) Your OC mail box number is written in the incorrect order of the mail addressed to you. (The post office machine reads mail from the bottom up. If your mail box number is placed after OC’s mail box number, their machines will search to match that box number and send it there, which means your mail may not make it to OC for delivery.)
f) The U. S. Postal Service is the ONLY mailing company that will accept OC’s mail box number as a delivery address; the other mailing companies do NOT recognize a mail box number as a delivery address.

3) OC street address (2501 E MEMORIAL ROAD) (street address is REQUIRED ONLY when the type of mail is sent through the different delivery companies listed in the beginning).
   a) Street address is missing.
   b) Street address name and/or number is incorrect.
   c) Street address is written in the incorrect order of the mail addressed to you. (OC’s street address (2501 E. Memorial Rd.) must be written/placed just above the CITY/STATE/ZIP line of address of the mail coming to you, otherwise the post office machines, reading mail from the bottom up, will search using your OC mail box number to send your mail to, and your mail may not make it to OC for delivery.)

4) ‘Oklahoma Christian University’ should always be included in all addresses, coming to you or from you, to ensure your mail at least gets to the University.

5) City, State, ZIP code or ZIP+4.
   a) City, State, ZIP code is missing (if any one of these is missing, your mail may not even make it to the city, to Oklahoma, or the post office which processes OC’s mail for delivery).
   b) If City, State, and/or ZIP are incorrect and/or misspelled, including incoming international mail, the mail may not even make it to the United States.
   c) If ZIP+4 is incorrect (the +4 could send mail to the wrong carrier, however, if ZIP is correct, it should at least make it to the correct post office, and they would manually work the mail to OC, but it would delay your mail).

6) Another reason your mail may be missing or delayed is if the delivery address is not readable. U. S. Postal Service mail (85% of mail received for delivery at OC) is read, sorted, and processed through automation. The mailing address MUST be readable for automated machines.

7) Other reasons your mail could be missing or delayed are:
   a) Label torn off or partly torn.
   b) Package got wet, address unreadable.
   c) Package was damaged in the mail stream and no longer recognizable.
d) Items in package had damaged breakables (i.e., glass, etc.) and are protruding through wrapping and can no longer travel through the mail stream.

8) Lost or stolen items:
   1) The OC Mailroom is not responsible for lost or stolen items, including cash, checks, or money orders

B. What I can do to get my mail:

   1) Notify all persons sending mail to you the two (2) correct addresses to use depending on what mailing company is used.
   2) Complete a change-of-address immediately each time you move on or off campus.
   3) Properly package and label all articles you are mailing.
   4) Review the address on the mail coming to you and correct what you can by notifying the sender(s) your correct address.

C. The OC Mailroom will make every attempt to get your mail delivered to you once it arrives at OC. The OC Mailroom personnel currently researches with the following: student lists, networking with departments, faculty, staff, RDs and RAs, looks at addresses where mail is coming from, and many other ways, to find a way to get your mail delivered to you. With a 95% rate of incorrectly addressed mail and thousands of pieces of incoming mail each day, this takes lots of time and manpower to research and causes much delay. And unfortunately, this may not always get your mail to you, and it could get returned to the sender if there is a return address. Help us help you by being proactive to notify everyone who will be sending mail to you of the correct way it should be addressed.

D. If the OC Mailroom is making mistakes with delivery of your mail, you need help mailing something, or need help finding mail, let them know. The OC Mailroom personnel are available to provide you the best mail service.

E. With all of the above reasons you may not be getting your mail or it is delayed, at the same time anything you mail to someone should always have the correct mailing address to get to its destination point. It is also imperative with the mail you send, to have your complete return address on it, in case it becomes undeliverable at any point, and it can be delivered back to you.

9. **Filing a Change-of-Address**

Filing a change-of-address is a temporary fix to get your mail when moving. **NOTE: A change-of-address MUST be filed EACH TIME.**

A. When to File a change-of-address with the OC Mailroom to get your mail delivery forwarded to your new OC address, new address off-campus, or when leaving OC:
   1) Move from room to room in the same dorm, or from apartment to apartment, etc.
   2) Move to another dorm or apartment.
3) Temporary moves (e.g., Summer school overseas, etc.) off site, and when returning.
4) Move from OC campus (leave school, graduated, etc.)

B. OC Mailroom policy is: A change-of-address is only good for one (1) year. Mail will be returned to sender after that time or handled according to the provisions and regulations with the different mailing service companies.

C. Filing a change-of-address with the OC Mailroom can be found at your OC webpage in the following link, or ‘CTRL’+ ‘CLICK’ here: https://www.oc.edu/services/mail-center/forwarding-address-form.html

10. Mailing Assistance

A. The OC Mailroom personnel are here to serve you.
   1) Help you know the correct way of packaging an item for mailing.
   2) Provide information for the best services available (insurance, certified, registered, return receipts, etc.) for the type of mail you are sending.
   3) Work with you to get your mailing address corrected.
   4) Help with cost comparisons of which mailing service company to use for the type of mail you are sending.
   5) Help you with postage services.

V. Information Technology Services

A. Technology: Acceptable Use Policy

1. Statement
This policy is designed to establish acceptable and appropriate use of computer and
information systems, networks and other information technology resources at Oklahoma
Christian University.

2. Application
This policy applies to anyone using Oklahoma Christian University’s information
technology resources. This includes all students, employees and guests to the campus and
those accessing these resources from outside the campus.

3. Guiding Principles
Oklahoma Christian University is a higher learning community that transforms lives for
Christian faith, scholarship, and service. The Oklahoma Christian University community
is encouraged to make innovative and creative use of information technologies in support
of education, research, and service. Oklahoma Christian University’s computing and
network resources are to be used only for University-related teaching, learning,
enrichment, dissemination of scholarly information, and administrative activities. The
computing and network facilities of the University are limited and should be used wisely
and carefully with consideration for the needs of others. Computers and network systems
offer powerful tools for communications, teaching and learning among members of the
University community and communities outside the university. When used appropriately,
these tools can enhance dialog and communications. When used unlawfully or
inappropriately, however, these tools can infringe on the rights of others.

4. Responsibilities
The University encourages all members of its community to use electronic
communications in a manner that is respectful to others.

5. Functionality and Availability
You must ensure that your actions and the devices you own or that are assigned for your
use do not negatively impact the functionality and availability of the Oklahoma Christian
University computer systems, enterprise and application systems, and network services.
You must ensure that your computer is properly maintained, including having up-to-date
anti-virus protection and operating system patches. Responsible use of computing and
network resources requires users to realize that any attempt to modify or extend resources
could result in degradation of systems or performance elsewhere on the network. You
must not disrupt routine operations by tampering with any hardware, networks,
applications, system files or other users' files without authorization or
permission. Circumventing or altering protections or other restrictions placed on
computers, networks, software, applications or files is prohibited. Similarly, you may not
make resources available to circumvent or alter protections or other restrictions placed on
computers, networks, applications or files. University technology resources are intended

for academic and university business functions. For-profit use of these resources is prohibited.

6. **Computer Accounts**
You must use only your own computer account(s), and may not attempt to impersonate the identities of others. You may not supply false or misleading data nor improperly obtain another's password in order to gain access to computers, network systems, data or information. The negligence of another person in revealing an account name or password is not considered authorization of use.

7. **Information Security**
You are responsible and accountable for all use and security of the electronic resources you own or use, including but not limited to computer account(s), passwords, personal computer(s), electronic data, and network access. You should make appropriate use of the software, system and network-provided protection features and take precautions against others obtaining access to your computer resources. You are responsible for the security of all assigned accounts and passwords assigned for your use. Passwords must never be shared. If you are made aware of a data security breach or identify potentially unsafe security measures you should report this immediately to the Office of Information Technology.

8. **Intellectual Property**
You are responsible for making use of software and electronic materials in accordance with copyright and licensing restrictions and applicable university policies. You may not use Oklahoma Christian University networks, equipment and software to violate copyright or the terms of any license agreement. No one may inspect, modify, distribute, or copy proprietary data, directories, programs, files, disks or software without proper authorization.

9. **Publication**
You should remember that information you distribute through the University's web or other computing and networking facilities is a form of publishing and many of the same standards apply. For example, any web publication attributed to Oklahoma Christian University, even with disclaimers, represents you and the university and appropriate language, behavior and style is warranted.

10. **Personal Information**
You should be cautious about making information about yourself and others available on the Internet. The University cannot protect you from invasions of privacy, identity theft and other possible dangers that could result from the distribution of personal information.

11. **Administration and Implementation**
While respecting confidentiality and privacy, the University reserves the right to examine all University owned and operated computer systems and electronic/digital resources. The University takes this step to enforce its policies regarding harassment and the safety of individuals; to prevent unauthorized reproduction or distribution of proprietary
software or digital texts, images, or music; to safeguard the integrity of computers, networks, and data either at the University or elsewhere; and to protect the University against seriously damaging consequences. The University may restrict the use of its computers and network systems for electronic communications when faced with evidence of violation of University policies, or federal or local laws. The University will comply with, and respond to, all validly issued legal processes, including subpoenas. The University reserves the right to limit access to its networks through University-owned or other computers, and to remove or limit access to material posted or distributed on University-owned computers or network.

12. Enforcement

Federal and local laws pursuant to civil rights, harassment, copyright, security and other statutes relating to electronic media bind all members of the University community. It should be understood that this policy does not preclude enforcement under the laws and regulations of the United States of America or the state of Oklahoma. All users are expected to conduct themselves in a manner consistent with these responsibilities and all other applicable University policies. Abuse of computing and/or network privileges will subject the user to disciplinary action, as established by the applicable operating policies and procedures of the University. Abuse of networks or computers at other sites through the use of Oklahoma Christian University resources will be treated as though it occurred at the University. When appropriate, restrictive actions will be taken by system or network administrators pending further disciplinary or legal action.

13. Policy Updates

This policy may be updated to reflect changes in University policy and technologies. You can find the most current version of this policy online at:

d) **Student / Employee ID Card Policy**
   The Oklahoma Christian University identification card identifies you as a current member of the OC community. This ID card can be used as an electronic door key and provides access to a variety of functions and facilities on campus— including chapel, dining facilities, athletic events, fitness centers, laundry, the library and more.

   The ID card is the property of the University, should be carried at all times while on campus, and is non-transferable. It may be used for such purposes as the University designates and may be revoked at any time. This card must be presented and/or surrendered upon request by any University official; failure to do so, or lending this card to anyone, is considered misuse. The card is void upon
termination or interruption of enrollment and/or employment and must be surrendered at that time.

This ID card serves as a key to many facilities and therefore the card and the associated Personal Identification Number (PIN) should be kept secure and not shared with others for any reason.

Lost and stolen cards must be reported promptly to the Office of Information Technology. This will help prevent unauthorized access to facilities and other cardholder services. There is no charge for replacement ID cards that become defective or fail to work. Lost cards can be replaced at a cost of $10.00.

No person shall possess more than one Oklahoma Christian University ID card. For security reasons, once a replacement card has been issued an older version card cannot be used or re-activated for any reason. Once replaced, if the old card is found it should be destroyed.

Card access questions can be referred to Support Central.

e) Emergency Notification System (OC Notify)

OC Notify is an Emergency Notification System used by Oklahoma Christian University officials to communicate emergency information to students, faculty, and staff. This is a free service that can send messages via email, text messages, Twitter and Facebook to the campus community.

All University students and employees will be automatically enrolled in the Emergency Notification System. Students and employees are encouraged to maintain their personal information including accurate mobile number information to ensure that emergency messages can be received. Visit http://www.oc.edu/notify for more information.

3. Network Services

a) Network and Email Accounts
The University provides a network access account to all employees and students. University network account holders should never allow others to use their login name and/or password.

Email addresses are based on this login name. The complete email address will be username@eagles.oc.edu for students and username@oc.edu for employees. Email is an important form of communication for academic and University business purposes and guidelines related to this service are strictly enforced.

b) Global Email Policy
Students and employees of OC are not to send out unsolicited electronic mail messages to large numbers of recipients (over 25) except for official University business. Any messages to be broadcast to faculty, staff, and/or students must be approved by a member of the Senior Management team. The guideline is that messages must be of high importance and/or interest to all on the list.
These mass mailings may be used for:

- An emergency
- Announcements of major University events & deadlines
- Changes in campus policies, procedures, organizations, or departments
- Notification of the availability of services and/or facilities

Global email lists are NOT intended for messages of a personal nature. Examples of inappropriate uses include, but are not limited to:

- Soliciting support (financial or otherwise) for charity or special causes not connected with a University effort
- Personal opinion, public debate, or campaigning
- Give-aways (personal property such as furniture, tickets, equipment, books, etc.)
- Unverified public service announcements (such as virus alerts, unsafe products, etc.)
- Chain mail
- Services offered or services sought (except for University related services)
- Lost and found (except when it is University property)
- Items for sale or items desired (including houses, tickets, books, services, etc.)

c) Alternate Mailing options:

- Google Groups (Preferred)
- Lists.oc.edu

These services are designed to provide an easy way to create and maintain large email mailing lists. These lists can be used for the one-way distribution of information, for e-mail based discussion, questions and answers, etc. Lists are created and "owned" by a user who manages the list’s behavior.

Any faculty, staff, or student member of the campus community may become a list owner upon request and approval. Campus-based organizations and departments may become list owners, but an individual within the group must be designated as the list owner. Student owners must have approval of the Office of Student Life.

It is the list owner's responsibility to learn the commands necessary to manage the list's subscribers.

Under no circumstances can a list be used to participate in or promote activities that are illegal, violate the Oklahoma Christian code of conduct, or the Oklahoma Christian Acceptable Computer Use Policy. The use of these lists must also comply with email policy standards and FCC regulations. Members of the list must have opted in to the list and each message to the list members must provide an opt-out method.

d) Membership update information:

Student membership will be updated with current students at the beginning of each semester (fall and spring only). Faculty and Staff memberships will be
updated at the beginning of every fall semester. Anyone who has signed up for a list and does not have an “@oc.edu” or “@eagles.oc.edu” address generally will not be removed from the list when memberships are updated unless the address is no longer valid.

c) **Peer-to-Peer, Spyware, Malware**
The University reserves the right to remove or make inoperable any application or system that might compromise the integrity and/or security of the campus network. Systems identified to be running peer-to-peer application (LimeWire, FrostWire, BitTorrent, Kazaa, Morpheus, Gnutella, etc.) or other forms of Spyware and/or Malware may be removed from the network.

f) **Data Storage**

- **User Directories**
  Students and employees are encouraged to use Google Drive for storage of files. Google Apps for Education provides each campus user with unlimited data storage.

- **Web Space**
  Google Apps for Education provides Google Sites for creating web pages for academic needs.

g) **Network Connectivity**

Network connectivity is provided to members of the campus through a “wired” network and a “wireless” network. It is not acceptable to use these connections to interfere with or to disrupt other network users, services, or equipment. Disruptions, intentional and/or accidental, including but not limited to, distribution of unsolicited advertising, propagation of viruses or worms, and use of the network to make unauthorized entry to any other system accessible via the network (including the use of packet sniffers or other related technology), may result in loss of network privileges.

h) **Wireless Network (Airspace Policy)**

Oklahoma Christian University maintains a wireless data network throughout the campus providing network services to the students, staff, faculty and guests. This network uses the FCC unlicensed spectrums located at 2.4GHz and 5GHz. Wireless data network equipment and many devices such as cordless telephones, microwaves, and wireless speakers/microphones also operate in this frequency range. The unmanaged use of these devices may potentially cause interference, disrupting access to Oklahoma Christian’s wireless data network. Wireless networks not managed by the office of Information Technology Services can also compromise the University’s network security.

*In order to ensure the availability, reliability, integrity, and security of the Oklahoma Christian network, the airspace on the University campus and managed property will be solely administered by Information Technology Services.*

In order to protect the data network, the following policies have been established:
- No wireless networks or access points can be attached to the campus wired network without written permission from the Office of Information Technology.
- Wireless access points, Apple AirPort Base Stations, computers configured as ad hoc devices, or other wireless network equipment operating in the 2.4GHz and 5GHz spectrums must not be used on campus unless configured and installed by Network Services.
- If it is determined that other wireless equipment, such as cordless phones and wireless speakers, are interfering with the operation of the campus wireless network, the owner/user of the equipment may be asked to disable these devices.
- The University assumes no responsibility to compensate the user/owner for any direct or incidental costs related to requiring that the use of the interfering equipment be terminated.

i) **Access from Off Campus**
Students and employees can obtain access to University network resources through the Internet by using a Virtual Private Network (VPN) connection. Instructions and requirements for connecting via VPN can be obtained online at [http://support.oc.edu/forums](http://support.oc.edu/forums).

4. **Network Addressing**
   
   a) **IP Addressing**
   All systems, unless otherwise specified by Network Services, must obtain IP addresses via the primary DOMAIN DHCP server. Configuration information can be obtained by contacting Support Central.

   b) **Naming Convention**
   Systems must meet the standard naming conventions determined by Network Services.

<table>
<thead>
<tr>
<th>Personal Systems</th>
<th>Employee/Student ID Number + A,B,C... for multiple systems (ex. 1234567A)</th>
</tr>
</thead>
<tbody>
<tr>
<td>University Systems</td>
<td>Serial Number</td>
</tr>
<tr>
<td>Tenant Owned Systems*</td>
<td>Serial Number</td>
</tr>
</tbody>
</table>

   For security reasons machines not matching these naming conventions may be disconnected from the network.

   *An inventory of systems owned by tenants and/or vendors that connect to the campus network should be provided to the Office of Information Technology Services. This inventory should include system serial number, the type of system (laptop, desktop, or other), operating system, the MAC addresses of all network cards within a system, and the primary user of the system. If the tenant/vendor has been granted permission to connect a firewall/router between the campus network and their systems, only the firewall/router must be recorded.
c) **Internet Service**  
The Oklahoma State Board of Regents/OneNet and AT&T provide Internet Services to the University. Use of this connectivity must comply with the acceptable use policies of these providers.

d) **Network Bandwidth**  
OC reserves the right to monitor and regulate network bandwidth. Application bandwidth usage is monitored and priority is given to network traffic that is related to academic content and/or relates to the business functions of the University.

e) **Availability of Computer/Network Resources**  
All computer, telecommunication, and network resources supported by IT Services are available 24 hours per day 7 days per week. Every possible effort is made to ensure that service interruptions are limited.

- **Computer/Network Service Monitoring**  
  Network Services uses automated methods to monitor critical and non-critical resources. If any system is down, the appropriate support staff is notified by text or email depending on the severity of the problem.

- **Maintenance/Scheduled Outages**  
  There are no regularly scheduled maintenance windows. Maintenance requiring a system outage is scheduled as far in advance as possible. Users are notified of these outages by broadcast email.

- **Recovery from Outage Issues**  
  If services become unavailable, members of IT Services respond immediately and management is made aware of the issues surrounding the outage. If the recovery from the outage is not estimated to happen within 1 hour or affects more than 10% of users, Support Central will take steps to contact all users and update them on the problem status. These updates may be provided to users through one or more communication methods including broadcast email, and/or updates provided on the campus portal.

5. **Data Security**

a) **Network / System Security**

**Passwords**  
A valid log-in is required for all access to campus resources. No user or system administrator should configure a system that does not require a valid log in on a network authentication server approved by Network Services. It is the responsibility of the user and all system administrators to keep their passwords confidential. Passwords should not be shared with anyone including technology support staff. Passwords must be a minimum of 8 characters and must contain 3 of 4 possible complexity requirements:

- Uppercase letter
- Lowercase letter
- Number
Employee passwords must be changed every 90 days. Student passwords must be changed once per year.

**Firewall**

Network Services maintains a firewall to help secure the University’s network resources. Traffic to and from the Internet is monitored for potential attacks to University systems. This does not prevent all unauthorized access to the network. It is the responsibility of the system owner/administrator to do their part by applying all recommended security patches and turning on only TCP ports that are required or in use by the system they use. Systems that are identified as having security holes will be removed from the network and the owner/administrator will be contacted.

**Data Security**

Any file containing student information and/or employee information that is not stored on a campus server must be protected by a file level password. This includes any files stored on a laptop, thumb drive or other such file storage media.

**Web Content Filtering**

Network Services maintains a web content filtering service. This service blocks URLs that are deemed inappropriate and in opposition to the mission of the University. Sites blocked inadvertently or that contain legitimate academic research material may be opened by submitting a request to the administrator through the blocked web page form.

6. **Voice Services**

**Basic Phone Service**

Basic local telephone service is available in each residence hall lobby. Long distance phone service is not provided to students through the OC phone system.

7. **Video Services**

**Basic Cable Service**

Basic cable TV service is available in each residence hall and campus apartment. Information about the service, including available channels, can be found online at [http://support.oc.edu/forums](http://support.oc.edu/forums). The University reserves the right to change the channel lineup at any time and makes no guarantees as to the availability of programming offered.
VI. Residence Life

A. Residence Life Staff

1. Director of Residence Life
   The Director of Residence Life oversees all areas of campus housing. He ensures that our residential students have a quality academic environment in which to live and study. He supervises the Resident Directors, and all housing placements. Curtis’ office is located in Heritage Village, Suite #137.

2. Assistant Director of Residence Life
   The Assistant Director of Residence Life assists in overseeing facilities, staff and students. John's office is located in Heritage Village, Suite #137.

3. Housing Coordinator
   The Housing Coordinator is responsible for the placement of students in campus housing and maintains housing information on all students enrolled at OC. Gina’s office is located in Heritage Village, Suite #137.

4. Resident Directors (RD)
   Resident Directors are professional staff members who live and work within residence halls and apartment phases. They supervise student staff and receptionist desk personnel. RDs work to maintain a safe living environment that supports academic growth. In addition, RDs aim to build close communities through community programming, service projects, monthly activities and devotionals. They help nurture, advise, support, mentor, and advocate for their students.

5. Resident Assistants
   Resident Assistants (RA) are students who are selected and trained to lead, live, and work within the residence hall areas. Their major responsibilities and training lay in facilitating community development, customer service, responding to student needs, assisting the Resident Director, and building positive relationships with students.

6. Community & Ministry Advocates
   Community & Ministry Advocates (CMA) are students who are selected and trained to lead, live, and work within the apartment areas. Their major responsibilities and training lay in leading opportunities for spiritual growth, providing customer service, facilitating community development, responding to student needs, assisting the Resident Director, and building positive relationships with students.

B. Residential Areas

1. Receptionist Desks
   - Stationed in the public lobby of most residence halls, receptionists serve as an information source.
These workers check out cleaning equipment (such as vacuums), greet visitors, answer phones, and provide directory information in addition to other responsibilities pertaining to the position.

The receptionists can assist students if they become locked out.

Receptionists may also ask to see students' IDs at any time for security purposes. Students must cooperate with these requests.

For security reasons, no unauthorized students should be in the receptionist desk area at any time.

2. **Nowlin Center & Phase 6 Community Center**

The Nowlin Center (Phases 3, 4 & 5) and Community Center (Phase 6) serve as central communication areas for the needs of their apartment residents. Whether it is checking out a vacuum or a room key, these common areas are a good place to start for help. Residents and guests can also enjoy a social atmosphere furnished with a TV area, game tables, and areas for studying.

3. **Public Lobbies**

- Public lobbies are provided in Tinius, Gunn-Henderson, Fails, University House, and Davisson Hall; except for these public lobbies, students are not permitted in the residence halls of the opposite sex except during open house.
- Hours for open house and "all calls" should be carefully observed so that students are properly clothed when visitors or workers are present.
- Furnishings and equipment in the common areas (lobbies, halls, etc.) are for the use of all residents.
- Removal of any item, including furniture, pictures, wastebaskets, etc., deprives others of that item's use. Such action is considered theft, resulting in replacement charges and disciplinary action.

4. **Non-Public Areas**

- Students who are found in rooms or non-public areas of residence halls/apartments of the opposite gender are subject to disciplinary action.
- Emergency maintenance problems may require that members of the University Services crew be in a non-public housing area at any time for repairs.
- Windows are not to be used as an exit or entrance. Likewise, propping open doors or windows compromises the safety of all residents and therefore is considered a serious infraction.

C. **Residential Agreements**

OC maintains a residential campus in which students are expected to live on campus to benefit fully from the experience of a Christian community. It is the student's responsibility to notify the Housing Coordinator of any changes to his or her mailing address, residential address and telephone numbers.

1. **Off Campus Petition**

A student may be granted permission to live off-campus if he or she meets one or more of the criteria listed below and has an off campus exception form approved through the Residence Life Office. The off campus petition form can be found on the Residence Life website, oc.edu/reslife. Criteria for living off-campus are as follows:

- Student is of part-time student status (enrolled in 11 hours or fewer)
- Student is Married
- Student has completed 124+ credit hours
- Student is 23 years old prior to the beginning of the semester for which the off-campus exception is being requested.
- Student will be living with their parents in their primary full-time residence. Off-campus exceptions are not granted to students living with aunts/uncles, siblings, or other family members.
- No single student, while living in OC housing, can occupy a 2nd residence off campus (except his or her permanent home). Students are advised against renting an off-campus residence until verifying their approval to live off campus. Approval will not be given simply because a student has already paid a deposit or rent for an off-campus residence. An unqualified student living off campus without advance approval is given the choice of moving to the residence halls, becoming part-time or withdrawing.
- The University does not authorize any student organization to provide off-campus housing.

2. **Housing Agreement Terms**
- Students who live in campus housing are billed for 15 weeks.
- Students are allowed to stay in campus housing over holiday breaks without charge. The only exception is Christmas break.
- Students may make a reservation to stay during Christmas Break. Since this period is outside the 15-week housing agreement, additional fees will apply. Contact the Residence Life Office for details.
- If a student remains in the same room/apartment for both the fall and spring semesters, he or she is not required to remove his or her possessions during the period between housing agreements. However, the student is required to turn in his or her room key during this period. Failure to do so will result in a $35 charge. If a student is scheduled to move and fails to make the move prior to the break, he/she is charged $50 per night.

3. **Eligibility for Campus Apartments**
In addition to the residence hall areas, OC maintains 4 apartment complexes. University Village Apartments are conveniently located east of the campus. The single student apartments are fully furnished. To qualify for single student apartments, students must:

- Have completed 60 hours.
- Have a disciplinary record without any Code of Conduct violation that resulted in disciplinary probation or suspension during the last semester that the student attended (including summer and intersession).
- Have approval from the Office of Residence Life. However, the Office of Residence Life reserves the right to review any request and to make all housing assignments.

4. **Apartment Policies**
- Single apartment residents may be moved back to the residence halls for excessive damages to the apartment, for violation of school policies that result in disciplinary probation, or for any action disruptive or disrespectful of the apartment community.
- The apartments are not intended or staffed for students with curfew. Any student who loses their curfew waiver due to disciplinary action may be required to move back to the residence halls immediately or at the end of the semester.
D. Residence Life General Policies & Procedures

1. Appliances
   - The electrical systems in campus housing are not designed to carry heavy loads of electrical equipment, so students should use only 1 plug per receptacle.
   - Hot plates or any open coil appliances are not permitted.
   - 1 refrigerator and 1 microwave are allowed in each room. Refrigerators may not exceed 4 cubic feet. Roommates should coordinate to ensure that only 1 of each of these appliances is moved into the room.
   - University House suites have a refrigerator and microwave already furnished. Students living in those suites are responsible for the cleanliness and defrosting of appliances. Students should not remove any of the refrigerator’s parts.

2. Authorized Searches
   OC reserves the right to allow certain Residence Life, Student Life, and or other designated professional staff members to search a student’s room/apartment or vehicle if OC reasonably believes a federal, state, or municipal law or university policy has been violated. A search must have the prior approval of the Dean of Students or the Associate Dean of Students. Refusal by a student to grant an authorized search is grounds for suspension.

3. Bicycles
   - Due to limited space and damage caused by muddy tires, grease, etc., bikes are not allowed in any room or apartment. Bikes should only be kept only in the bike racks / bike storage rooms provided in each housing area. Bikes should not be chained to handrails, signposts, or gazebo areas.
   - Some renovated housing areas have inside bike storage. Students may use them to store their bikes by contacting the Resident Director of that area to obtain guidelines.
   - Residence Life strongly suggests that all bike owners register their bikes on the National Bike Registry (nationalbikeregistry.com). Registering your bike aids in the recovery process should the bike be lost or stolen.

4. Bunking/Debunking and Lofting Beds
   Bunking, debunking and lofting beds are only allowed by maintenance staff. If students are interested in bunking, debunking or lofting the beds in their rooms, they should contact Support@oc.edu. These services are only provided during specific and advertised times of each semester and while supplies last in specific residential areas.

5. Check-out Procedures
   a) Residence Halls
      The residence halls are closed during the summer sessions. All residents must be out of the hall no later than 10 a.m. on the Saturday following spring graduation. To check out, students must complete the following:
      - Remove all personal belongings and decorations.
      - Clean the room thoroughly before leaving; a $50 charge may be charged for rooms not cleaned sufficiently.
      - Contact the Resident Director or Resident Assistant during posted check-out times to check for damages and cleanliness of room.
- Sign and attain 1 signature from OC’s housing staff on the official “Blue Check-In/Check-Out” form.
- Turn in keys; there is a $35 charge for keys not turned in before departing OC, as this requires us to change the lock.
- Failure to properly check out may result in forfeiture of the housing deposit, in addition to clean-up or damage charges.

b) **Apartments**
Since students live in the apartments for the summer, it is essential that all apartments be cleared no later than 10 a.m. on the Saturday following spring graduation. Students staying for Summer Housing will be emailed specific directions regarding the timing of these “apartment to apartment” moves.

- Students must clean their apartments thoroughly. Up to $100 per person may be charged to clean an apartment.
- The apartment must be cleaned before the 1st occupant moves out.
- Students should NOT unplug the refrigerator.
- Students must schedule an appointment with their Resident Director during POSTED check-out time so he or she can check the apartment for cleanliness and damages.
- Students must turn in their keys. There is a $35 lock replacement charge for keys not turned in before departing OC.
- Failure to properly check out may result in improper move-out charges in addition to any cleaning or damage charges.
- Please note that for all areas, students are ultimately responsible for meeting checkout expectations communicated by Residence Life staff. After checkout, each area will undergo an more thorough inspection by the appropriate RD. Residence Life reserves the right to administer appropriate damages or charges to a student(s) account after a student has checked out should it be discovered that additional damages or charges were missed and are necessary.

6. **Cleanliness - Room/Apartment Check**
- Use of a campus room or apartment should not be construed as the granting of a property interest to any student. The University reserves the right to move students from room to room as deemed necessary.
- Oklahoma Christian employs a third party custodial firm, to clean the public areas of the residence halls each weekday.
- Students are responsible for picking up after themselves and for keeping their own rooms, suites with bathrooms, and apartments clean and in good order.
- A vacuum may be checked out from the receptionist desk for this purpose.
- Those living in the suites will have access to vacuums in each suite area.
- If the vacuum is mistreated, lost or stolen, a charge is divided among all residents for that particular suite.
- In the event that WFF must clean an excessively dirty public or private area, an appropriate charge may be assessed to all residents of that immediate area.
a) Cleanliness Checks
- The Resident Directors will check apartments/rooms bi-monthly for cleanliness. A notice of evaluation will either be left in the room or emailed to students occupying the room.
- A failure will result in a fine of $50 per room/apartment inhabitant.
- If the room or apartment is not satisfactory in 24 hours, another fine of $25 per person is added daily until the apartment is considered satisfactory.

7. Curfew

Curfew at Oklahoma Christian is designed to enrich the first-year living and learning experience by allocating time for first-year students to engage in their living community. Specifically, students living in a residence hall who have completed less than 24 credit hours and who are under 21 years of age will be expected to observe the residential curfew. During these times, students are encouraged to invest in their living community and academic pursuits. Curfew complements our efforts to maintain safe housing, bolster our campus’ sense of community, and provide a positive structure that promotes academic success. Curfew for campus housing is midnight on Sunday – Thursday; 1:00 a.m. on Friday and 12:30 a.m. on Saturday.

Curfew Exemptions
A student may be exempt from curfew if they have completed at least 24 in class hours (those hours cannot be concurrent with a high school program) or be at least 21 years of age.

Curfew Violations
1. A curfew violation is given if the student is out of his or her assigned room at curfew check.
2. Should a student know they will be late for curfew; the student should contact their Resident Assistant or Resident Director immediately to let them know. If he or she is not available, the student should leave a message and/or notify residence life staff via email. It is always better to call and return to campus rather than to spend the entire night elsewhere.
3. Students are not permitted to leave their assigned residence hall after curfew unless their Resident Director gives special permission.
4. Students are not allowed in any academic building after curfew except with special permission authorized by the appropriate academic dean and the Office of Student Life.
5. Curfew violations do not start over for the spring semester. Repeated curfew violations will result in disciplinary action and/or charges.
6. Resident Assistants and Resident Directors will attempt to locate students who are not present after the initial curfew check.
8. **Decorations**

While there is the opportunity for students to express individuality in decorating their living space, the following guidelines must be followed:

- Candles, incense, halogen lights and flammable lamps (such as oil lamps or lava lamps) are prohibited. These are extremely dangerous due to high heat, open flame or dripping wax.
- Highly flammable materials such as hay, straw, cloth ceiling coverings or anything determined dangerous by the housing staff are prohibited.
- Street signs, cones, flags, etc. that have been illegally acquired are not permitted. Such items will be confiscated and occupants disciplined by the University. Furthermore, the University may cooperate with on and off-campus law enforcement agencies.
- Tape and/or permanent contact paper must not be used on any surface area in OC’s housing, including walls, inside drawers, desks, etc. Only the use of “Plastic-Tak” or mounting putty for wall hangings is acceptable.
- No screws or large nails of any kind are to be used on the walls of rooms. Tacks and small nails are acceptable.
- Darts and dart boards of any kind or size are not allowed in OC housing.
- Suggestive, demeaning, revealing or pornographic posters, pictures or reading material are not permitted.
- Anything displaying profanity, vulgarity, alcohol or tobacco products will not be allowed in any housing areas (this includes empty decorative bottles or boxes).
- Students do not have permission to use paint to repair damages or to redecorate.

9. **Extermination Services**

- The University maintains control of insects in campus housing by spraying throughout the areas approximately 4 times per year.
- Students need to prepare their individual areas by following guidelines presented by the Resident Directors.

**Bed Bugs in Residential Areas**

Bed bugs are small, flat, wingless and nocturnal insects that live by feeding on the blood of warm-blooded hosts. Bed bugs do not fly or leap; they hide in dark crevices and generally hide nearest the bed or other furniture used for sleeping.

Bed bugs must be carried into an environment. They are often carried in on personal belongings such as luggage, backpacks and secondhand furniture from a location already infested.

Evidence of bed bugs include small blood spots on linens and mattresses, small black dirt specks on seams, cracks or crevices of beds and furniture, actual bugs present- dead or alive, and unexplained rashes of the skin.

Report immediately to the Resident Director or contact the Office of Residence Life at (405) 425-5930 if bed bugs are suspected in a room or apartment. Once a report of suspected bed bugs is made, a pest control expert is contacted and the university implements a comprehensive bed bug procedure.

Whether bed bugs are suspected or have been confirmed, it is important that residents not remove any clothing, bedding or furniture from the room and follow all instructions presented by the pest control expert.
Residents can help reduce the risk of bed bugs by taking precautionary measures like inspecting any clothing, bedding and furniture that are purchased second-hand before bringing to campus.

When traveling, inspect the bedding and furniture where you are staying and inspect before returning to campus. Use hangers or hooks to keep all clothing off of the floor and bed. Clean and reduce clutter in the living area and wash clothing and linens regularly.

The University takes bed bug reports seriously and will inspect and invest in the health of the student body. The university will take action for eradicating the bed bugs from the living area, but individuals who knowingly bring bed bugs to campus, are neglectful or do not assist in the process may be held responsible for the reimbursement of services, treatment and items that may need to be replaced.

The damage list above is not exhaustive and represents minimum charges. Residence Life reserves the right to administer additional charges as is deemed necessary and appropriate. Charges for damage to OC property and/or vandalism will vary and are determined by OC University Services and or Residence Life.

11. **Guests in Rooms**
   - Friends and family are welcome as guests on campus.
   - Non-minor guests of the same sex as a student are permitted to stay in the residence halls and single student apartments without charge for a maximum of 3 days; linens, however, are not furnished.
   - Since guests are not given keys, the student alone is responsible for giving guests access to his or her room. OC personnel will not grant guests access to rooms.
   - The student is liable for any damages caused by guests.
   - Students must notify their Resident Director of any overnight guests by completing a guest card.
   - Housing a person without permission may result in loss housing privileges and/or disciplinary action.
   - Babysitting is not permitted in housing areas.

12. **Campus Housing Meetings**
   - Students living in campus housing are required to attend all mandatory meetings as announced by the Resident Director. If a student does not attend the mandatory meetings, a fine of $25 may be levied.
   - Mandatory meetings, in most cases, are held during the 1st week of each semester.
   - If the student has a conflict with the time of the meeting, he or she should notify the Resident Director in advance so that other arrangements may be made.

13. **Insurance for Personal Property**
   OC is not responsible for damage or theft of any student’s personal property, regardless of the cause of the damage. Students are responsible for providing their own renters insurance to cover losses to their personal property. While personal property insurance is not a requirement, we strongly encourage every student to insure the contents of their residence hall room or apartment.

14. **Key Loss and Duplication**
   As a security measure, locks on student rooms and apartments are always changed if a key is permanently lost. If the student loses a key, he or she should notify the Resident Director as soon as possible. To cover the cost of changing the key and lock, the student is charged $35.

15. **Open House Policy**
   Open House provides visitation to resident rooms by members of the opposite gender and is available during specific times and days during each semester. Opposite gender guests are not permitted in private areas of Residence Hall/Apartment areas outside of designated Open House hours. Failure to honor Open House hours may result in disciplinary action, beginning with a $75 charge per person that increases $50 at each additional infraction.
a) **Residence Hall Open House**

To maintain the security of our housing areas and the privacy of all students in housing areas, the University has established guidelines for open house participation:

- All guests must sign in and out at the appropriate reception desk.
- In rooms that open into an interior hallway, the door needs to remain open. In all other rooms and apartments, window blinds should remain open.
- Housing staff will make rounds to monitor. Students must cooperate with them.

b) **Apartment Open House**

- Visitation hours are Monday through Friday from 5:00 pm to 12:00 am, and Saturday and Sunday from 12:00 pm to 12:00 am.
- Guests are allowed in the living areas only. Guests are not allowed in the bedroom of the apartments.
- The blinds must be open at all times when there are visitors in the apartment.

16. **Overnight Sign-outs**

- Overnight sign-outs are necessary to maintain the integrity and accountability of a curfew system and maintain safety standards. Without the sign-out procedures, we would be unable to contact students or parents in case of emergency. For this reason, students must sign out in advance every time they stay overnight off campus. **Sign-outs cannot be made after midnight.**
- A student must sign out online by going to myOC, myServices, Housing and then filling out the “Student Online Sign-out Form”.
- Each student must personally sign out through myOC.
- Each student must fill in all requested information completely.
- Sign-out privileges may be restricted if a student is signing out excessively. This includes sign-outs to the OC apartments. Excessive sign-outs are determined on a case-by-case basis.
- Each student must provide a verifiable phone number of the residence where he or she is staying.
- The falsification of a sign-out or any other attempt to circumvent curfew is a breach of the University’s Code of Conduct. If the student signs out to one address but changes plans and goes to another, he or she should notify the Resident Director immediately. If a change of plans requires returning to campus after curfew, the student should notify the Resident Director immediately before returning to the room. Sign-out violations will result in disciplinary action.

a) **Sign-out Violations Include**

- Signing out for overnight but returning to campus after curfew without notifying the Resident Director. If students sign out to a lock-in with a club or church group, they are signifying that they will be at that location all night. If they plan on spending the night at an address other than the lock-in, they must include the final destination on the online form. Students should not plan on leaving a lock-in to return to campus after curfew.
- Failure to notify the Resident Director when the student stays at an address different from the one on the online form.
b) **Sign-out Destinations**
Students often ask to where they can and cannot sign out. Students should remember that parental permission does not supersede university policy, or the OC Covenant. For this reason students will not be allowed to sign out overnight to lakes, parks, campsites, motels/hotels, the apartments of someone of the opposite sex, or any place that would be considered inappropriate. It is impossible to list all possible scenarios, so students should consult their Resident Director if they have any questions.

17. **Pets**
