As is the case with most private institutions, students pay for only part of the total cost of their education. Since Oklahoma Christian University (OC) is a private university, receiving no state support, additional funds are donated by individuals and firms interested in the programs that the university offers.

I. Responsible Party
- If a student is of legal age, he or she is deemed to be the primary party liable for his or her financial obligation.
- It is the student’s responsibility to be familiar with the university’s financial policies.
- It is the student’s responsibility to check their campus email and student box during the school year.
- It is the student’s responsibility to notify Oklahoma Christian if there is a change in the student’s off-campus mailing address.

II. Payment on Account
- Payment in full is due on the first day of classes.
- Charges may incur throughout the semester. Payment for these charges is due on the last day of the month for which the charge(s) was posted.
- Students may be dropped from classes for non-payment.
- Students will not receive credit for final examinations or graduate until they make satisfactory settlement of their account.
- Transcripts will not be released unless the student’s account is paid in full and all institutional loans are current.
  a. However, while a semester is “in progress,” students with an outstanding balance may receive an official transcript if their student account balance was paid in full prior to the beginning of the current semester.
- Students will not be allowed to progress to the next semester until the previous semester’s charges are paid in full.
- Exceptions must have written approval in advance from the Student Financial Services Office.

III. Service Charges
- There is a monthly service charge of 1.75% of the unpaid balance on all accounts.
- The grace period for all charges is 30 days.

IV. Payment Plans
- All students are required to complete a payment plan agreement form before classes begin.
- Payment of expenses may be arranged under one (or a combination) of four payment plans:
  - Plan 1 – Cash – Oklahoma Christian accepts cash, check or money order, electronic checks (also known as ACH transfers), American Express, Discover Card, Visa, and MasterCard.
  - Plan 2 – Installment Payment Plan (IPP) – An interest-free monthly payment plan available through the Student Account Online. The enrollment fee is $50 per semester.
  - Plan 3 – Alternative Student Loans – There are a variety of student loans available to students through private lenders. Information can be obtained in the student financial services office or at www.oc.edu/loans.
- Exceptions must have written approval in advance from the student financial services office.

V. Statements
- Monthly e- statement notifications will be sent by email on or around the 20th day of each month.

VI. Withdraw/Drop Refund Policy
- Tuition refunds are made to students who officially withdraw from a regular 15-week course or from the University before the fourth week of a semester. Refunds are given as follows:

- If the withdrawal date is within the second week, a 50% refund will be made.
- After the second week, no refunds will be made.

If the student drops a course and adds another course at a later time during the 100% refund period, it may result in additional charges. Students should always add and drop a course during the same session to avoid these charges.

Students must obtain a Withdrawal Form from the Office of the Registrar to officially withdraw from the University. The signed and completed form will indicate the official withdrawal date for the student as determined by the Registrar based upon the last date of attendance for the term.

Any student dismissed for unsatisfactory conduct or failure to pay charges as agreed is not eligible for refunds.

If a student withdraws, his/her scholarships will be prorated by the same percentage as the tuition. For example, if a student receives a $1000/semester scholarship and receives a 50% tuition refund, then the student may keep 50% of the scholarship.

In accordance with federal regulations, Oklahoma Christian is required to calculate the "return of Title IV funds" formula for students who are attending on federal (Title IV) financial aid. For this reason, withdrawing from classes may reduce your financial aid for the current semester.

- The law specifies how OC must determine the amount of Title IV (federal) program assistance you earn if you withdraw. The Title IV programs covered by this law are Federal Direct Unsubsidized Loans and Grad PLUS Loans.
- If you withdraw during the period of enrollment, the amount of Title IV program assistance you have earned up to that point is determined by a specific formula. If you received less assistance than the amount you earned, you may be able to receive those additional funds. If you received more assistance than you earned, the excess funds must be returned by the school. The amount of assistance earned is determined on a pro rata basis. For example, if you complete 30% of your period of enrollment, you earn 30% of the assistance you were originally scheduled to receive. Once you have completed more than 60% of the enrollment period, you earn all the assistance you were scheduled to receive for that period.
- If you did not receive all the funds you earned, you may be due a post-withdrawal disbursement. If the post-withdrawal disbursement includes loan funds, you may choose to decline the loan funds so that you do not incur additional debt. OC may automatically use all or a portion of the post-withdrawal disbursement (including loan funds, if you accept them) for tuition, fees, and room and meal plan charges.
Students wishing to be considered for loans from the federal government must complete a Federal Application for Federal

• Students will not be allowed to charge Eagle Bucks to their account two weeks prior to the scheduled Spring
commencement date.
X. Summer School
• Students attending summer classes may be eligible for financial aid as a “trailer” based on the current year calculations.
This requires all aid to be disbursed prior to June 30th therefore, students must have all financial aid paperwork complete
prior to June 30th.
• Students may receive financial aid as a “header” on an exception basis. This means students will receive summer
financial aid based on next year’s calculations. Students receiving financial aid as a “header” will not have any financial
aid disbursed until July 1st.
• Title IV aid will be adjusted through the fourth summer term so that a student cannot be overpaid; thus the student will not
be placed on financial aid warning/suspension based on a failure to complete credit hours.
XI. Federal and State Financial Aid
• Oklahoma Christian University awards financial aid to any student who has eligibility based on an approved method of
need analysis. We agree with the federal government, the primary responsibility of educating a student lies with the
student and the family. We observe the following general guidelines in packaging financial aid:
  • Scholarships – If we are fortunate to know of the scholarships at the time of packaging, they are included as
part of the student’s financial award.
  • Federal Guaranteed Student Loans – Federal Direct Unsubsidized student loans are packaged for every eligible
student according up to $20,500 per year, depending on the cost of the student’s program. Perkins loans are
packaged for students who have a need with preference being given to freshmen and sophomore
undergraduate students.
• Students wishing to be considered for loans from the federal government must complete a Federal Application for Federal
Student Aid (FAFSA). Once the university receives the FAFSA information, additional paperwork may be required as
determined by the Financial Services Office. In such cases, the documentation may change the student’s financial aid eligibility.

- The deadline to apply for financial aid (institutional and federal) and to turn in the required documentation is last day of class prior to the week of finals. Oklahoma Christian University will make every effort to file federal financial aid after that day; however, there is no guarantee funds will be received.
- All financial aid (institutional and federal) is awarded based on the number of hours for which the student is enrolled.
- The Financial Services Office will make adjustments to any award letter due to incorrect data and/or additional financial aid received. The Financial Services Office will notify students of any change in their award via mail or email. Students are responsible for checking both their on-campus and off-campus mailboxes, as well as their OC email address, for such information.
- In accordance with federal regulation, students are required to notify the Financial Services Office of any change in outside resources. This may require a revision of the student’s award, in which case the financial services office will notify the student as previously explained. Students may also make corrections to their FAFSA information online at www.fafsa.gov.
- In cases where the university becomes aware that a student has received an overpayment or financial aid in excess of the student’s eligibility, the university will adjust the student’s award rather than referring the overpayment to the Department of Education. If this creates a balance on the student account, the student is responsible for paying the university for the resulting balance.
- Federal financial aid is only to be used for expenses related to the student’s educational cost. This may include living expenses.
- Federal regulations require students to maintain satisfactory academic progress toward degree objectives in order to receive financial assistance on a continuing basis. The following requirements reflect these guidelines in keeping with the policies of Oklahoma Christian.

1. **Measurable Satisfactory Academic Progress**
   
   **A. Hours Completed**
   
   1. For a student receiving financial aid as a full-time student, he/she must complete at least 9 hours each semester of enrollment.
   2. For a student receiving financial aid as a half-time student, he/she must complete at least 6 credit hours each semester of enrollment.
   3. The following shall not be considered as credit hours completed:
      - F—failing grade
      - Audit—no credit
      - W—withdrawal
      - WP—withdrawal passing
      - I—incomplete
   5. Because “I” (Incomplete) grades are not counted as hours completed, they may result in a student being placed on financial aid warning or suspension.
   6. At the conclusion of each semester, the Director of Financial Aid will review the satisfactory academic progress of students who received an “I” (Incomplete) grade. The Director will then make any appropriate adjustments to the financial aid standing for those students receiving a grade change.
   7. Students placed on financial aid suspension as a result of an “I” (Incomplete) grade should notify the Director of Financial Aid immediately after the “I” has been changed to a passing grade. Upon notification, the Director will recalculate the student’s financial aid standing and will determine if the student’s financial aid may be reinstated.
   8. Adjustments will be made to Title IV aid for dropping a course through the third Friday of each semester. After that date, dropped courses resulting in an enrollment status change (example: full-time to half-time), will place a student in financial aid warning/suspension.

**B. Grade Point Averages**

Every graduate student receiving financial aid must maintain a 3.0 cumulative grade point average.

2. **Financial Aid Warning**

In the event that a student fails to complete the required number of hours or the required GPA, he/she may continue to receive financial aid, but will be placed on financial aid warning for the next semester. As a result, he/she must achieve the following:

**A. Grade Point Average**

The student must achieve the cumulative GPA standard as defined by the student’s grade classification. However, if the student does not achieve this standard, we will be forced to place him/her on financial aid suspension.

**B. Hours Completed**

1. For a student who was receiving federal aid based on full-time enrollment, he/she must complete 9 hours during the semester of financial aid warning.
2. For a student who was receiving federal aid based on half-time enrollment, he/she must complete 6 hours during the semester of financial aid warning.

3. **Suspension**

...
Students wishing to delay payment based on an employer reimbursement financial agreement must first submit the Employer Reimbursement Form. (The Employer Reimbursement Form and be found at www.oc.edu/forms.) Failure to submit the Employer Reimbursement Form and place the student on financial aid warning. If the student does not reasonably increase his/her cumulative GPA within one semester, the student will be placed on financial aid suspension. Students who have been placed on financial aid suspension and continue to fail all courses during the semester will be placed on financial aid suspension for the next semester. Students who have been placed on financial aid suspension and do not meet the terms of the warning will not be considered making satisfactory academic progress. Further, students who have been placed on financial aid suspension and subsequently fail all courses during the semester will be placed on financial aid suspension for the next semester. Students who have been placed on financial aid suspension and fail to meet the terms of the warning will not be considered making satisfactory academic progress and will, therefore, be placed on financial aid suspension. This means immediate termination of financial aid received from all federal aid programs (Federal Perkins Loan, Federal Direct Loan Program and Grad PLUS). Students in their final semester of their program are exempt if they graduate.

4. Repeated Courses
A grade received from a repeated course will replace the pre-existing grade previously earned. Therefore, the previously earned grade will be omitted from the calculation of a student’s cumulative GPA (although the previously earned grade will still be reflected on the student’s transcript). All repeated courses for courses previously failed will count as hours attempted, and if successfully completed, will count as hours completed within a given semester. All repeated courses for courses not previously failed will not count as hours attempted, and will therefore not count as hours completed within a given semester.

5. Limitation of Eligibility of Federal Assistance
The maximum number of hours a graduate student may attempt in order to receive financial aid is 89 graduate credit hours. Any course for which a student receives credit from a regionally accredited institution, including transferred, repeated and remedial coursework are included in this calculation regardless of whether a student received Title IV funding. Grades listed as "I" (Incomplete) or "W" (Withdrawn) are not counted as hours attempted. Students needing to receive Title IV aid for more than 89 graduate hours (i.e. double majors) may appeal to the financial services director.

6. Reinstatement
To be reinstated a student must increase his/her cumulative GPA to a 3.0 and demonstrate that he/she has completed the most recent semester successfully (9 hours or more). Then a student may reapply in writing for the reinstatement of his/her federal financial aid.

7. Appeals
A. Any student wishing to appeal financial aid suspension must indicate in writing to the Director of Financial Aid reasons why he/she did not achieve minimum academic requirements and also describe what circumstances have changed that will allow the student to successfully achieve minimum academic requirements in the future.
B. The Director of Financial Aid will then review the appeal and with advice from the Financial Aid Committee determine whether the student’s appeal will be granted. Typically, a student’s first appeal will be granted if the student adequately explains the reasons for failure to achieve the minimum academic requirements and a plan to successfully achieve the academic requirements within one semester. Appeals from students who cannot reasonably increase his/her cumulative 3.0 GPA will not have their appeals approved. The student will be advised in writing of the decision.
C. Probation – After a student successfully appeals the suspension of his/her federal aid, that student’s federal aid eligibility is by definition on “probation.” The probationary period is for one semester, during which the student must complete the required number of hours successfully while increasing or maintaining a 3.0 cumulative GPA in order to be brought back into “good standing.”
D. Subsequent Appeals are not granted. Students who have been granted a federal aid appeal may only have their federal aid eligibility reinstated by increasing his/her cumulative GPA to the minimum standard and demonstrating that he/she has completed the most recent semester successfully (9 hours or more). Then a student may reapply in writing for the reinstatement of his/her federal financial aid.

8. Summer Financial Aid
Students attending summer classes may be eligible for financial aid as a "trailer" based on the current year calculations. Students may receive financial aid as a “header” on an exception basis if the student is enrolled in OC’s MBA program.

9. Withdrawal from the university
Students who receive Title IV funding for the semester in which they are withdrawing will be placed on financial aid warning (if you are already on financial aid warning, you will be placed on suspension).

10. Miscellaneous
Any student who has previously enrolled in this institution and is not a recipient of Title IV assistance may receive Title IV aid for the first time (when otherwise eligible) under a one-semester warning during which he/she must bring his/her academic standing in conformance with the existing satisfactory progress policy. Further, a student who has not been placed on financial aid warning, but fails all of his/her classes during the semester will automatically be placed on financial aid suspension bypassing the warning status.

XII. Institutional Aid
- Students must apply for admission (accompanied by the fee) through the University before being considered for scholarships or tuition discounts.
- The deadline to apply for financial aid (institutional and federal) is the end of the fourth week of the current semester.
- Students must maintain a 3.0 cumulative grade point average to continue to receive scholarships.
- Oklahoma Christian employees may not award any institutional dollars (including endowments) to students in their family.
- The Financial Services Office will make adjustments to any award letter due to incorrect data and/or additional financial aid received. The financial services office will notify students of any change in their award.

XIII. Employer Reimbursement
- Students wishing to delay payment based on an employer reimbursement financial agreement must first submit the Employer Reimbursement Form. (The Employer Reimbursement Form and be found at www.oc.edu/forms.) Failure to
complete the Employer Reimbursement Form by the first day of classes will result in the student’s account being considered delinquent and therefore subjected to finance charges and possible withdrawal from classes.

- Students wishing to apply for employer reimbursement will be charged a 2.5% deferment fee each semester at the conclusion of the first week of classes. The 2.5% deferment fee will be charged against the total outstanding balance. The Deferment fee will be due on the due date of the semester’s first monthly billing statement. If the deferment fee is paid as agreed, no finance charges will be assessed. However, if the deferment fee is not paid, the student will be subject to a 1.75% monthly finance charge assessed against the total outstanding balance until the deferment fee and any accrued finance charges are paid in full. The application fee is nonrefundable.

- Students are required to pay the non-deferred portion of the bill whether or not the student has completed the course work or have been reimbursed by your employer. Students must pay no later than the first day of classes.

- Oklahoma Christian University reserves the right to conduct random audits, which involve contacting the student’s employer about the student’s employment status.

- If the student drops a class or withdraw from the University, all payments are due immediately. The University refund policy would then apply.

**XIV. Summer Housing**

- Students with outstanding balances at the end of the spring semester will not be eligible for summer student housing without the consent of the student’s Personal Financial Counselor (PFC).

- Students will not be assigned a summer housing unit until advance payment is received.
  - Students working 28 hours a week employed through Oklahoma Christian are not required to make pre-payment. They will instead have money for housing costs deducted from earnings.

- Students who fail to pay summer housing charges in advance will be given fifteen (15) days to make payment. If necessary payments are not received within fifteen (15) days, access to the student’s apartment will be denied.

- Students with summer housing balances will not be allowed to enroll and/or validate their enrollment for a future semester until their summer housing account balance is paid in full.

- Summer financial aid must first pay for summer tuition expenses. Additional financial aid may be transferred to the student’s summer housing account upon the student’s request.
